

Finland's Elisa Awards Amdocs a Six-Year Managed Services and Billing Transformation Contract

June 22, 2009

Amdocs to consolidate Elisa's eight legacy wireless, wireline, Internet and cable TV billing systems; Amdocs will also deliver an enterprise-wide master product catalog

HELSINKI, Finland and ST. LOUIS, June 22 /PRNewswire-FirstCall/ -- Elisa Corporation (HEL: Elisa A), Finland's leading provider of wireless, wireline, broadband Internet and cable TV services, and Amdocs (NYSE: DOX), the leading provider of customer experience systems, today announced that they have signed a six-year managed services and billing consolidation agreement. Under the terms of the agreement, Amdocs will immediately assume responsibility for day-to-day management and maintenance of the Amdocs billing, ordering and customer relationship management (CRM) software that was originally deployed in 2007 to support Elisa's wireless operations.

In addition, Amdocs will consolidate Elisa's eight legacy wireless, wireline, Internet and cable billing systems to establish a single, convergent billing system. Amdocs will also deliver the Amdocs Enterprise Product Catalog to serve as a master repository for all product information currently managed in five different billing, ordering and self-service catalogs to enable Elisa to better define, blend, bundle and price its entire offering portfolio.
