(1) Assumes conversion of all the holder's notes at a conversion rate of 10.8587 ordinary shares per each \$1,000 principal amount of the notes and resale of all ordinary shares offered hereby. In addition, the per share conversion price, and therefore the number of ordinary shares issuable upon conversion of the notes, is subject to adjustment. As a result, the aggregate principal amount of the notes and the number of shares of ordinary shares issuable upon conversion of the notes may increase or decrease.
