AMDOCS LIMITED
PROXY STATEMENT

ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD ON THURSDAY, JANUARY 30, 2014

References in this Proxy Statement to “Amdocs”, “we”, “our” and “us” refer to Amdocs Limited and its consolidated subsidiaries and their respective predecessors.

This Proxy Statement and the accompanying proxy are being furnished to shareholders of Amdocs Limited, a company organized under the laws of Guernsey, in connection with the solicitation by its Board of Directors of proxies from holders of its outstanding ordinary shares, par value £0.01 per share, for use at the annual general meeting of shareholders to be held at 9:00 a.m., local time, on Thursday, January 30, 2014, at the offices of WilmerHale, 7 World Trade Center, 250 Greenwich Street, New York, New York, 45th floor, or at any adjournments thereof (the “General Meeting”).

This Proxy Statement and the accompanying proxy are first being mailed or delivered to our shareholders on or about December 19, 2013.

At the General Meeting, the holders of our ordinary shares as of the close of business on December 2, 2013 (the “Record Date”) will be asked to take the following actions:

1. Elect 10 directors to serve until the next annual general meeting of shareholders or until their earlier resignation or removal or successors are elected and qualified (Proposal I);
2. To approve an increase in the dividend rate under our quarterly cash dividend program from \$0.13 per share to \$0.155 per share (Proposal II);
3. To approve an amendment to our Articles of Incorporation to eliminate the requirement of shareholder approval for the declaration of dividends (Proposal III);
4. To approve our authorized share capital and provide authorization to the Board of Directors to issue shares for a fixed period of five years (Proposal IV);
5. Approve our Consolidated Financial Statements for the fiscal year ended September 30, 2013 (Proposal V); and
6. Ratify and approve the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2014, and until the next annual general meeting, and authorize the Audit Committee of the Board of Directors to fix the remuneration of such independent registered public accounting firm in accordance with the nature and extent of its services (Proposal VI).

The proxy confers discretionary authority with respect to any amendments or modifications of proposals that properly may be brought before the General Meeting. As of the date hereof, we are not aware of any such amendments or modifications or other matters to be presented for action at the General Meeting. However, if any other matters properly come before the General Meeting, the proxies solicited hereby will be exercised on such matters in accordance with the reasonable judgment of the proxyholders.

As of the Record Date, Amdocs had outstanding 159,969,427 ordinary shares. Each ordinary share is entitled to one vote on all matters presented at the General Meeting. Only holders of record of ordinary shares at the close of business on the Record Date are entitled to notice of, and to vote at, the General Meeting. Votes cast in person or by proxy at the General Meeting will be tabulated by the inspector of elections appointed for the General Meeting who will also determine whether a quorum is present for the transaction of business. Two or more shareholders of record, together holding a majority of our outstanding ordinary shares present in person or represented by proxy, shall constitute a quorum for purposes of the General Meeting.

Approval of Proposals I, II, IV, V and VI requires the affirmative vote of a majority of our ordinary shares voted in person or by proxy at the General Meeting. Approval of Proposal III requires the affirmative vote of at least 75% of our ordinary shares voted in person or by proxy at the General Meeting.

The enclosed proxy provides that each shareholder may specify that his, her or its ordinary shares be voted "for", "against" or "abstain" from voting for each of the director nominees named in Proposal I and with respect to each of Proposals II, III, IV, V and VI. If proxies in the accompanying form are properly executed and returned, the ordinary shares represented thereby will be voted in the manner specified therein. If not otherwise specified, in the reasonable discretion of the proxyholders, the ordinary shares represented by a proxy will be voted FOR each of the proposals.

Proxies will not be counted as voting in respect of any matter as to which abstention is indicated, but abstentions will be counted as ordinary shares that are present for purposes of determining whether a quorum is present at the General Meeting. As of the date of this Proxy Statement, our shares are listed on the New York Stock Exchange, or the NYSE, but beginning on December 20, 2013, our ordinary shares will cease trading on the NYSE and will commence trading on the Nasdaq Global Select Market, or Nasdaq. Nominees who are members of the NYSE, and who, as brokers, hold ordinary shares in "street name" for customers have, by NYSE rules, the authority to vote on certain items in the absence of instructions from their customers, the beneficial owners of the ordinary shares. If such nominees or brokers indicate that they do not have authority to vote shares as to a particular matter (the "Broker Non-Votes"), we will not count those votes in favor of such matter. Broker Non-Votes will be counted as ordinary shares that are present for purposes of determining whether a quorum is present.

Shareholders of record are entitled to appoint one or more proxies to attend and vote at the General Meeting in their stead. If a shareholder of record elects to appoint a proxy other than by using the enclosed proxy card (or by Internet or telephone as provided in the instructions set forth in the enclosed proxy card), the shareholder must deliver such proxy, together with a power of attorney or other authority, at or before the General Meeting on January 30, 2014. We strongly encourage our shareholders to use the enclosed proxy card or to authorize the voting of their shares over the Internet or by telephone as provided in the instructions set forth in the enclosed proxy card.

Any shareholder giving a proxy may revoke it at any time before it is exercised at the General Meeting by:

- Filing with our Secretary, in care of our principal U.S. subsidiary, Amdocs, Inc. (at the address that appears on the last page of this Proxy Statement), written notice of such revocation bearing a later date than the proxy or a subsequent proxy relating to the same ordinary shares, provided that such proxy or subsequent proxy shall be deposited at such address at least 48 hours before the scheduled General Meeting or adjournment thereof, as the case may be; or
- Attending the General Meeting and voting in person (although attendance at the General Meeting will not in and of itself constitute revocation of a proxy).

**PROPOSAL I

Ten directors currently serve on our Board of Directors. As set forth below, the Board of Directors has nominated ten individuals as nominees for election as directors at the General Meeting, all of whom are incumbent directors. Ordinary shares represented by proxies returned duly executed will be voted, unless otherwise specified, in favor of the ten nominees for the Board of Directors named below. If any or all of such persons should be unable to serve, the persons named in the enclosed proxy will vote the shares covered thereby for such substitute nominee or nominees as the Board of Directors may select. The Board of Directors has no reason to believe that any such nominee will be unable or unwilling to serve.

Board Committees

Our Board of Directors maintains four committees as described below. Members of each committee are appointed by the Board of Directors.

Audit Committee. The Audit Committee reviews, acts on and reports to the Board of Directors with respect to various auditing and accounting matters, including the selection of our independent registered public accounting firm, the scope of the annual audits, fees to be paid to, and the performance of, such public accounting firm, and assists with the Board of Directors' oversight of our accounting practices, financial statement integrity and compliance with legal and regulatory requirements, including establishing and maintaining adequate internal control over financial reporting, risk assessment and risk management. The current members of our Audit Committee are Messrs. Gardner (Chair), Brodsky, LeFave and Olswang, all of whom are independent directors, as defined by the rules of both the NYSE and Nasdaq, and pursuant to the categorical director independence standards adopted by our Board of Directors. The Board of Directors has determined that Mr. Gardner is an "audit committee financial expert" as defined by rules promulgated by the SEC, and that each member of the Audit Committee is financially literate as required by the rules of the NYSE and Nasdaq. The Audit Committee written charter, which becomes effective on December 20, 2013 when our ordinary share commence trading on Nasdaq, is attached to this Proxy Statement as Appendix A and it is available on our website at www.amdocs.com.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee identifies individuals qualified to become members of our Board of Directors, recommends to the Board of Directors the persons to be nominated for election as directors at the annual general meeting of shareholders, develops and makes recommendations to the Board of Directors regarding our corporate governance principles and oversees the evaluations of our Board of Directors. The current members of the Nominating and Corporate Governance Committee are Messrs. Olswang (Chair), Brodsky and Kahan, all of whom are independent directors, as required by the NYSE listing rules and in accordance with Nasdaq standards, and pursuant to the categorical director independence standards adopted by our Board of Directors. The Nominating and Corporate Governance Committee written charter is available on our website at www.amdocs.com. The Nominating and Corporate Governance Committee has approved corporate governance guidelines that are also available on our website at www.amdocs.com. You may request a copy of the corporate governance guidelines, at no cost, by writing to us at the address listed below under the heading "Annual Report on Form 20-F."

Management Resources and Compensation Committee. The Management Resources and Compensation Committee discharges the responsibilities of our Board of Directors relating to the compensation of the Chief Executive Officer of Amdocs Management Limited, makes recommendations to our Board of Directors with respect to the compensation of our other executive officers and oversees management succession planning for the executive officers of the Company. The current members of our Management Resources and Compensation Committee are Messrs. McLennan (Chair), LeFave and Zisapel, all of whom are independent directors, as defined by the rules of both the NYSE and Nasdaq, and pursuant to the categorical director independence standards adopted by our Board of Directors. The Management Resources and Compensation Committee written charter is available on our website at www.amdocs.com.

Technology and Innovation Committee. The Technology and Innovation Committee was established to assist the Board of Directors in reviewing our technological development, opportunities and innovation, in connection with our current and future business and markets. The current members of our Technology and Innovation Committee are Messrs. Zisapel (Chair) and Dr. Yaron.

Our independent directors receive no compensation from us, except in connection with their membership on the Board of Directors and its committees as described below regarding Non-Employee Directors under "—Compensation of Directors".

Board and Committee Meetings

During the past fiscal year, the Board of Directors held five meetings. In addition, the Audit Committee held eight meetings, the Management Resources and Compensation Committee held four meetings, the Nominating and Corporate Governance Committee held four meetings and the Technology and Innovation Committee held four meetings in the 2013 fiscal year. During fiscal 2013, each of our directors attended at least 75% of the aggregate of the number of Board of Directors meetings held during the time he was serving as a director and meetings held by all committees on which he then served. During fiscal 2013, our directors who are not our employees, which we refer to as Non-Employee Directors, held three meetings without management present. Executive sessions of the Non-Employee Directors are generally held in conjunction with regularly scheduled meetings of the Board of Directors. At other times, such meetings may be held at the request of any Non-Employee Director. The presiding director of each such executive session is elected by the Non-Employee Directors who attend such executive session. Shareholders and other interested parties may communicate directly with the presiding directors or with the independent directors as a group as described below under the heading "Communicating with the Independent Directors."

Communicating with the Independent Directors

The Board of Directors will give appropriate attention to written communications that are submitted by shareholders and other interested parties, and will respond if and as appropriate. The Chairman of the Board, with the assistance of our corporate secretary, is primarily responsible for monitoring communications from shareholders and other interested parties and for providing copies or summaries to the directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that our Chairman and corporate secretary consider to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Shareholders who wish to send communications on any topic to the Board of Directors or to our independent or presiding directors should address such communications c/o Corporate Secretary, Amdocs Inc., 1390 Timberlake Manor Parkway, Chesterfield, Missouri 63017.

Significant Corporate Governance Differences

We believe there are no significant ways that our corporate governance practices differ from those followed by U.S. domestic issuers under the NYSE or Nasdaq listing standards.

Director Qualification Standards

Our Board of Directors has adopted a formal set of categorical independence standards with respect to the determination of director independence.

In accordance with these standards and Nasdaq rules, our Board of Directors has determined that each of the following nine of our current ten directors has no material relationship with us that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director: Messrs. Minicucci, Gardner, McLennan, Olswang, Zisapel, Brodsky, Kahan, LeFave and Dr. Yaron.

The full text of our categorical standards is attached to this Proxy Statement as Appendix B.

Code of Ethics and Business Conduct

Our Board of Directors has adopted a Code of Ethics and Business Conduct that sets forth legal and ethical standards of conduct for our directors and employees, including executive officers, our subsidiaries and other

business entities controlled by us worldwide. The code is available on our website at www.amdocs.com and you may request a copy, at no cost, by writing to us at the address listed below under the heading "Annual Report on Form 20-F." We intend to post on our website all disclosures that are required by law or Nasdaq rules concerning any amendments to, or waivers from, any provision of the code.

Risk Management Oversight

Our management is responsible for assessing and managing risk, and periodically reviews areas of material risk within our organization in order to evaluate and enhance risk identification and mitigation strategies. Our Board of Directors oversees and reviews these risk management efforts as they relate to strategic and business risks. Our audit committee oversees and reviews the Company's policies and processes with respect to enterprise risk management, discusses these efforts as they relate to operational and financial risks, and periodically reports and makes recommendations to our Board of Directors regarding these matters.

Compensation Policies and Practices

We structure our compensation to consist of both fixed and variable elements, including salary, equity, cash bonuses and insurance benefits. The fixed portions of compensation, such as salary, are designed to be market based and provide steady income regardless of our stock price performance. The variable portions of compensation, such as equity incentives and performance bonuses, are designed to reward the accomplishment of both short- and long-term corporate objectives. By basing a portion of our compensation on our long-term performance, we believe we reduce the risk that employees will focus on short-term goals to the detriment of our long-term stability. Further, our short-term incentive compensation is designed to reward short-term goals that we believe will enhance our long-term corporate success. Additionally, although we vary the elements of compensation that we use at different employee positions and rank, our compensation philosophy is applicable to all employees, including our executives. We believe this encourages consistent behavior across our organization, rather than establishing different approaches depending on an employee's position or rank. We do not believe our compensation policies and practices encourage excessive or inappropriate risk taking.

Compensation of Directors

During fiscal 2013, each of our directors who was not our employee, or Non-Employee Directors, received an annual cash payment of \$60,000. Each member of our Audit who is a Non-Employee Director and who is not the chairman of such committee received an annual cash payment of \$15,000. Each member of our Management Resources and Compensation, Nominating and Corporate Governance and Technology and Innovation Committees, who is a Non-Employee Director and who is not the chairman of such committees, received an annual cash payment of \$10,000. The Chairman of our Audit Committee received an annual cash payment of \$30,000 and the Chairmen of our Management Resources and Compensation, Nominating and Corporate Governance and Technology and Innovation Committees each received an annual cash payment of \$20,000. Each Non-Employee Director received an annual grant of ordinary shares at a total value of \$200,000. The Chairman of the Board of Directors received an additional annual amount equal to \$150,000 awarded in the form of ordinary shares. All ordinary share awards to our Non-Employee Directors are fully vested upon grant. The price per share for the purpose of determining the value of the grants to our Non-Employee Directors was the NYSE closing price of our shares on the last trading day preceding the grant date. We reimbursed all of our Non-Employee Directors for their reasonable travel expenses incurred in connection with attending Board or committee meetings. Cash compensation paid to our Non-Employee Directors was prorated for partial year service.

Commencing in fiscal 2014, we revised our director compensation program. Each Non-Employee Director will receive an annual cash payment of \$75,000. Each member of our Audit who is a Non-Employee Director and who is not the chairman of such committee will continue to receive an annual cash payment of \$15,000. Each member of our Management Resources and Compensation, Nominating and Corporate Governance and Technology and Innovation Committees, who is a Non-Employee Director and who is not the chairman of such committees, will continue to receive an annual cash payment of \$10,000. The Chairman of our Audit Committee

will continue to receive an annual cash payment of \$30,000 and the Chairmen of our Management Resources and Compensation, Nominating and Corporate Governance and Technology and Innovation Committees each will continue to receive an annual cash payment of \$20,000. Each Non-Employee Director received an annual grant of ordinary shares at a total value of \$210,000. The Chairman of the Board of Directors received an additional annual amount equal to \$200,000 awarded in the form of ordinary shares. All ordinary share awards to our Non-Employee Directors are fully vested upon grant. The price per share for the purpose of determining the value of the grants to our Non-Employee Directors was the NYSE closing price of our shares on the last trading day preceding the grant date and going forward will be the Nasdaq closing price of our shares on the last trading day preceding the grant date. We will continue to reimburse all of our Non-Employee Directors for their reasonable travel expenses incurred in connection with attending Board or committee meetings. Cash compensation paid to our Non-Employee Directors will be prorated for partial year service

During the 2013 fiscal year, we granted to ten Non-Employee Directors an aggregate of 64,803 shares at a weighted average price of \$32.79 per share, which were fully vested upon grant.

It is proposed that each of the following ten individuals be elected to serve as a director of Amdocs Limited until the next annual general meeting of shareholders or until his earlier resignation or removal or until his respective successor is elected and qualified:

AUDIT COMMITTEE MATTERS

Our management is responsible for the preparation of our financial statements and for maintaining an adequate system of disclosure controls and procedures and internal control over financial reporting for that purpose. Our independent registered public accounting firm is responsible for conducting an independent audit of our annual financial statements in accordance with generally accepted accounting principles, as well as an independent audit of management's assessment of our internal control over financial reporting, and issuing reports on the results of their audits. The Audit Committee is responsible for providing independent, objective oversight of these processes.

The Audit Committee has reviewed our audited financial statements for the fiscal year ended September 30, 2013 and has discussed these financial statements with our management and independent registered public accounting firm.

The Audit Committee has also discussed with our independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees). SAS 61 (as codified in AU Section 380 of the Codification of Statements on Auditing Standards) requires our independent registered public accounting firm to discuss with our Audit Committee, among other things, the following:

- methods to account for significant unusual transactions;
- the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and
- disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

Our independent registered public accounting firm also provided the Audit Committee with the written disclosures and the letter required by the Public Company Accounting Oversight Board (PCAOB) Ethics and Independence Rule 3526 (Rule 3526), Communication with Audit Committees Concerning Independence. PCAOB Rule 3562 requires auditors annually to disclose in writing all relationships that in the auditor's professional opinion may reasonably be thought to bear on independence, confirm their perceived independence and engage in a discussion of independence. The Audit Committee has discussed with the independent registered public accounting firm its independence from us.

Based on its discussions with management and the independent registered public accounting firm, and its review of the representations and information provided by management and the independent registered public accounting firm, the Audit Committee recommended to our Board of Directors that the audited financial statements be included in our Annual Report on Form 20-F for the fiscal year ended September 30, 2013.

Pre-Approval Policies and Procedures

The Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our independent registered public accounting firm. These policies generally provide that we will not engage our independent registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by the Audit Committee or the engagement is entered into pursuant to the pre-approval procedure described below.

From time to time, the Audit Committee may pre-approve specified types of services that are expected to be provided to us by our independent registered public accounting firm during the next 12 months. Any such pre-approval is detailed as to the particular service or type of services to be provided and is also generally subject to a maximum dollar amount. In fiscal 2013, our Audit Committee approved all of the services provided by Ernst & Young.

PROPOSAL II
SHAREHOLDER APPROVAL OF INCREASE OF THE QUARTERLY DIVIDEND RATE

Background

Article 92 of our Articles of Incorporation provides that our Board of Directors may declare and pay dividends on our ordinary shares, subject to compliance with applicable law and subject to the approval of our shareholders by ordinary resolution.

On July 31, 2012, our shareholders approved the institution of a quarterly cash dividend program at the quarterly rate of \$0.13 per ordinary share. Under this authorization, our Board of Directors has the authority to reduce the quarterly dividend or discontinue the dividend program should it determine that doing so is in the best interests of our shareholders or is necessary pursuant to Guernsey law, but our Board of Directors does not have authority to increase the per share amount or frequency of the dividend without shareholder approval.

On November 5, 2013, our Board of Directors approved an increase in the quarterly cash dividend rate from \$0.13 per ordinary share to \$0.155 per ordinary share. In order to permit us to implement this dividend rate increase, our Board of Directors proposes that our shareholders approve the ordinary resolution set forth below.

Reasons for the Proposed Increase in Quarterly Dividend Rate

Our Board of Directors believes that it is in the best interest of our shareholders to increase the quarterly dividend rate in light of our financial and business performance and outlook. For example, since we implemented our dividend program in July 2012, we have generated increases in annual revenue, net income and free cash flow. At the same time, we have continued to repurchase our ordinary shares, through a subsidiary, and repurchased approximately \$366.9 million (excluding broker and transaction fees) of our ordinary shares during the fiscal year ended September 30, 2013.

The increase in the quarterly dividend rate coincides with our general long-term guideline to allocate roughly half of our free cash flow (calculated as cash flow from operations less net capital expenditures and other) towards growth investments, including mergers and acquisitions, and to return the other half to our shareholders through a combination of the dividend program and share repurchases. This is not a complete presentation of our financial position, results of operations and cash flows in conformity with U.S. generally accepted accounting principles, so we encourage you to review our consolidated financial statements for the fiscal year ended September 30, 2013 set forth in our Annual Report on Form 20-F filed on December 9, 2013 with the U.S. Securities and Exchange Commission, or the SEC.

Timing of the Dividend Program

If our shareholders approve the proposal, our Board of Directors will continue to consider on a quarterly basis whether to declare and pay a dividend in accordance with the terms of the dividend program and in accordance with applicable Guernsey law. Guernsey law requires that our Board of Directors consider a dividend's effects on our solvency before it may be declared or paid. Provided that the per share amount and the frequency of the dividend do not increase, then no further shareholder approval will be required for dividends payable pursuant to our quarterly cash dividend program. However, any increase to the per share amount or frequency of the dividend would require further shareholder approval, unless our shareholders also approve the proposed amendment to our Articles of Incorporation as set forth in Proposal III.

Subject to shareholder approval, the Company expects to begin paying the dividend at the increased rate during the quarter commencing April 1, 2014.

In the event that shareholder approval is not obtained, the quarterly dividend rate will remain at \$0.13 per share.

Certain United States Federal Income Tax Considerations Related to Distributions

In general, a U.S. holder receiving a distribution with respect to the ordinary shares will be required to include such distribution (including the amount of foreign taxes, if any, withheld therefrom) in gross income as a taxable dividend to the extent such distribution is paid from our current or accumulated earnings and profits as determined under U.S. federal income tax principles. Any distributions in excess of such earnings and profits will first be treated, for U.S. federal income tax purposes, as a nontaxable return of capital to the extent of the U.S. holder's tax basis in the ordinary shares, and then, to the extent in excess of such tax basis, as gain from the sale or exchange of a capital asset. In general, U.S. corporate shareholders will not be entitled to any deduction for distributions received as dividends on the ordinary shares.

Dividend income is generally taxed as ordinary income. However, a maximum U.S. federal income tax rate of 20% currently applies to "qualified dividend income" received by individuals (as well as certain trusts and estates), provided that certain requirements are met. "Qualified dividend income" includes dividends paid on shares of U.S. corporations as well as dividends paid on shares of "qualified foreign corporations," including shares of a foreign corporation that are readily tradable on an established securities market in the United States (as well as foreign corporations from certain treaty jurisdictions). Since our ordinary shares have been readily tradable on the NYSE and as of December 20, 2013 will be readily tradable on Nasdaq, we believe that dividends paid by us with respect to our ordinary shares should constitute "qualified dividend income" for U.S. federal income tax purposes, provided that the holding period requirements are satisfied and none of the other special exceptions applies. The reduced rate will not apply to dividends received to the extent that the U.S. holder elects to treat dividends as "investment income," which may be offset by investment interest expense. In addition, dividends paid by us will not qualify for the 20% U.S. federal income tax rate if we are treated, for the tax year in which the dividends are paid or the preceding tax year, as a "passive foreign investment company" for U.S. federal income tax purposes, which we would be if (i) at least 75% of our gross income is "passive income" (*i.e.*, dividends, interest, royalties, rents and gains from commodities and securities transactions), or (ii) on average at least 50% of the gross value of our assets is attributable to assets that produce "passive income" or are held for the production of "passive income." We do not believe that we will be classified as a passive foreign investment company in the current taxable year and do not expect to become one in the foreseeable future.

An additional 3.8% tax is imposed on the net investment income (which includes taxable dividends) received by U.S. holders that are individuals, trusts or estates earning income above certain thresholds.

The amount of foreign income taxes that may be claimed as a credit against U.S. federal income tax in any year is subject to certain complex limitations and restrictions, which must be determined on an individual basis by each U.S. holder. The limitations set out in the U.S. Internal Revenue Code of 1986, as amended, include, among others, rules that may limit foreign tax credits allowable with respect to specific classes of income to the U.S. federal income taxes otherwise payable with respect to each such class of income. Dividends paid by us generally will be classified as foreign source "passive income" or "financial services income" for U.S. foreign tax credit purposes.

U.S. holders generally will be subject to information reporting requirements with respect to dividends that are paid within the United States or through U.S.-related financial intermediaries, unless the U.S. holder is an "exempt recipient." U.S. holders may also be subject to backup withholding (currently at a rate of 28%) on such payments, unless the U.S. holder provides a taxpayer identification number and a duly executed Internal Revenue Service Form W-9 or otherwise establishes an exemption. Backup withholding is not an additional tax and the amount of any backup withholding will be allowed as a credit against a U.S. holder's U.S. federal income tax liability and may entitle such holder to a refund, provided that the required information is timely furnished to the Internal Revenue Service.

It is proposed that the following ordinary resolution be adopted at the General Meeting:

“RESOLVED, that an increase in the dividend rate under Amdocs Limited’s quarterly cash dividend program from \$0.13 per share to \$0.155 per share be, and hereby is, approved.”

Required Affirmative Vote

The affirmative vote of holders of a majority of our ordinary shares represented in person or by proxy at the General Meeting is necessary for approval of the increase of the cash dividend program.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” THE INCREASE IN THE QUARTERLY DIVIDEND RATE UNDER THE CASH DIVIDEND PROGRAM.

PROPOSAL III

SPECIAL RESOLUTION AMENDING THE COMPANY'S ARTICLES OF INCORPORATION

Background

Article 92 of our Articles of Incorporation provides that our Board of Directors may declare and pay dividends on our ordinary shares only after first obtaining the approval of our shareholders by ordinary resolution (and subject to compliance with applicable law). Article 92 was initially included in our Articles of Incorporation to comply with requirements imposed by Guernsey law. However, Guernsey's corporate law was amended in 2008 and now permits companies to dispense with the shareholder approval requirement that we are proposing to eliminate.

Our Board of Directors has unanimously approved a resolution, subject to shareholder approval, to amend Article 92 to eliminate the requirement of shareholder approval for the declaration of dividends (the "Amendment"). The text of the Amendment with the proposed deleted text struck out is set forth as Appendix C.

Reasons for the Amendment

If our shareholders approve the Amendment, our Board of Directors would have the authority to declare dividends, whether in cash or shares, without further shareholder action. Our Board of Directors believes that having the authority to issue dividends without prior shareholder approval would provide greater flexibility by removing any impediments to the timing of such decisions and therefore would be in the best interests of shareholders. For example, on November 5, 2013, subject to shareholder approval, our Board of Directors approved an increase in the quarterly cash dividend rate from \$0.13 per ordinary share to \$0.155 per ordinary share. The current requirement of shareholder approval delayed the ability of our Board of Directors to effectuate this increase, and as a result, the quarterly cash dividend declared by our Board of Directors on November 5, 2013 and to be paid on January 17, 2014, will not be paid at the increased rate. Due to the schedule for our General Meeting, the dividend increase, if approved by shareholders, will be paid five months after the Board of Directors determined to increase the quarterly dividend rate. In addition, obtaining shareholder approval other than at an Annual General Meeting of Shareholders would be expensive and time consuming.

If our shareholders approve the proposal, our Board of Directors will continue to consider on a quarterly basis whether to declare and pay a dividend in accordance with the terms of the dividend program, and in accordance with applicable Guernsey law. Guernsey law requires that our Board of Directors consider a dividend's effects on our solvency before it may be declared or paid. As a general long-term guideline, we expect to allocate roughly half of our free cash flow (calculated as cash flow from operations less net capital expenditures and other) towards growth investments, including mergers and acquisitions, and return the other half to our shareholders through a combination of the dividend program and share repurchases. However, our declaration or payment of any future dividends will be based on conditions then existing, including our earnings, financial performance and outlook, as well as other conditions we deem relevant.

Prior to 2008, the corporate law of Guernsey was patterned after much of UK general corporate law, which, among other things, requires shareholder approval for dividends. In 2008, Guernsey enacted a new Companies Law that effected major amendments to its law. One of the changes made was to dispense with the requirement for shareholder approval of dividends. This change brought the Guernsey requirements on dividends more in line with those under the corporate law of the State of Delaware, where many US-listed companies are organized, and which does not impose a shareholder approval requirement on the declaration or payment of dividends. In view of the listing of our shares in the US and the predominance of US investors in our shareholder base, we believe that it is beneficial to our shareholders to conform our practices to those of US-listed companies.

In sum, the Amendment seeks to make our Articles of Incorporation more flexible, yet maintains the corporate governance standards generally applicable to listed companies in the United States.

It is proposed that the following special resolution be adopted at the General Meeting:

“*RESOLVED*, that Article 92 of the Articles of Incorporation of Amdocs Limited be, and it hereby is, amended in the form attached to Amdocs Limited’s proxy statement as Appendix C.”

Required Affirmative Vote

The affirmative vote of holders of not less than 75% of our ordinary shares represented in person or by proxy at the General Meeting is necessary for approval of the Amendment.

OUR BOARD OF DIRECTORS RECOMMENDS THAT OUR SHAREHOLDERS VOTE “FOR” THE AMENDMENT TO THE ARTICLES OF INCORPORATION.

PROPOSAL IV

SHAREHOLDER APPROVAL OF THE AUTHORIZED SHARE CAPITAL AND THE AUTHORIZATION OF THE BOARD OF DIRECTORS TO ISSUE SHARES FOR A FIXED PERIOD OF FIVE YEARS

A Guernsey company may not issue shares unless authority is granted to the board of directors by the company's shareholders, and, if the company has more than one class of authorized shares, such authority may be granted for no longer than five years. At our Annual General Meeting of Shareholders for the year ended September 30, 2008, our shareholders approved the authority of our Board of Directors to issue up to 25,000,000 preferred shares and up to 700,000,000 ordinary shares, in each case with or without par value, for a fixed period of five years. As this authority is now expiring, we are seeking shareholder approval to renew the authority of our Board of Directors for a fixed period of five years to issue preferred shares and ordinary shares in the same amounts as currently authorized.

As of December 2, 2013, 159,969,427 ordinary shares were outstanding (net of treasury shares) and no non-voting ordinary shares or preferred shares were outstanding.

The approval will not affect the requirement under Nasdaq rules for shareholder approval for (i) any material amendment to our 1998 Stock Option and Incentive Plan and or any other equity compensation plan , (ii) certain issuances to directors, officers and substantial shareholders, (iii) any issuance or potential issuance that will result in a change of control of us or (iii) subject to certain exceptions, an issuance involving voting power equal to or in excess of 20% of the voting power outstanding before the issuance.

Subject to the authority to issues shares discussed above, the rights, preferences and restrictions attaching to each class of the shares are the same as currently provided in our existing Articles of Incorporation.

It is proposed that the following ordinary resolution be adopted at the General Meeting:

“RESOLVED, that the Board of Directors of Amdocs Limited may issue up to 700,000,000 ordinary shares and 25,000,000 preferred shares which may be issued as the Board of Directors may determine to the fullest extent permitted by Sections 292 and 293 of The Companies (Guernsey) Law, 2008 as amended, and such authority shall expire five years following the adoption of this ordinary resolution.”

Required Affirmative Vote

The affirmative vote of holders of a majority of our ordinary shares represented in person or by proxy at the General Meeting is necessary for approval of the renewal of the Board of Directors' share issuance authority.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” THE AUTHORIZED SHARE CAPITAL AND THE AUTHORIZATION OF THE BOARD OF DIRECTORS TO ISSUE SHARES FOR A FIXED PERIOD OF FIVE YEARS.

THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS AND THE BOARD OF DIRECTORS RECOMMEND THAT THE SHAREHOLDERS VOTE “FOR” THE RATIFICATION AND APPROVAL OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM AND THE AUTHORIZATION OF THE AUDIT COMMITTEE TO FIX THE REMUNERATION OF ERNST & YOUNG LLP.

CATEGORICAL STANDARDS

In addition to applying the requirements under the NASDAQ rules, the Board has adopted guidelines to assist it in determining whether a director has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Under these guidelines, a director will be considered to have such a relationship if during the last three years prior to the independence determination date:

- Charitable Contributions. The director, or an immediate family member of the director, has served as an executive officer of a charitable organization that receives payments from the Company in an amount which, in any single fiscal year since the determination date, exceeds the greater of \$200,000, or 5% of such charitable organization's revenues;
- Indebtedness. The director or an immediate family member of the director has served, as an executive officer of another company which was indebted to the Company, or to which the Company was indebted, at the time the director was serving as an executive officer, where the total amount of either company's indebtedness to the other in any single fiscal year since the determination date exceeds five percent (5%) of such company's revenues;

For purposes of the above standards: (i) "**COMPANY**" includes Amdocs Limited and any parent or subsidiary that would be required under U.S. generally accepted accounting principles to prepare financial statements on a consolidated basis; and (ii) "**IMMEDIATE FAMILY MEMBER**" includes a person's spouse, parents, children, and siblings, whether by blood, marriage, or adoption, or anyone residing in such person's home.

92. **DIVIDENDS**

Subject to compliance with Section 304 of the Law ~~and the approval of the holders of Ordinary Shares by ordinary resolution for dividends on such shares:~~

- (1) the Board may at any time declare and pay such dividends to Members according to their right and interest; and
- (2) the method of payment of dividends shall be at the discretion of the Board.
