The Evolution of Customer Experience

Digital Journey to Customer Intimacy

Shorten time to value and increase elasticity for the on-demand economy

Reach new customers with new business models

Meet customers in their channel of choice

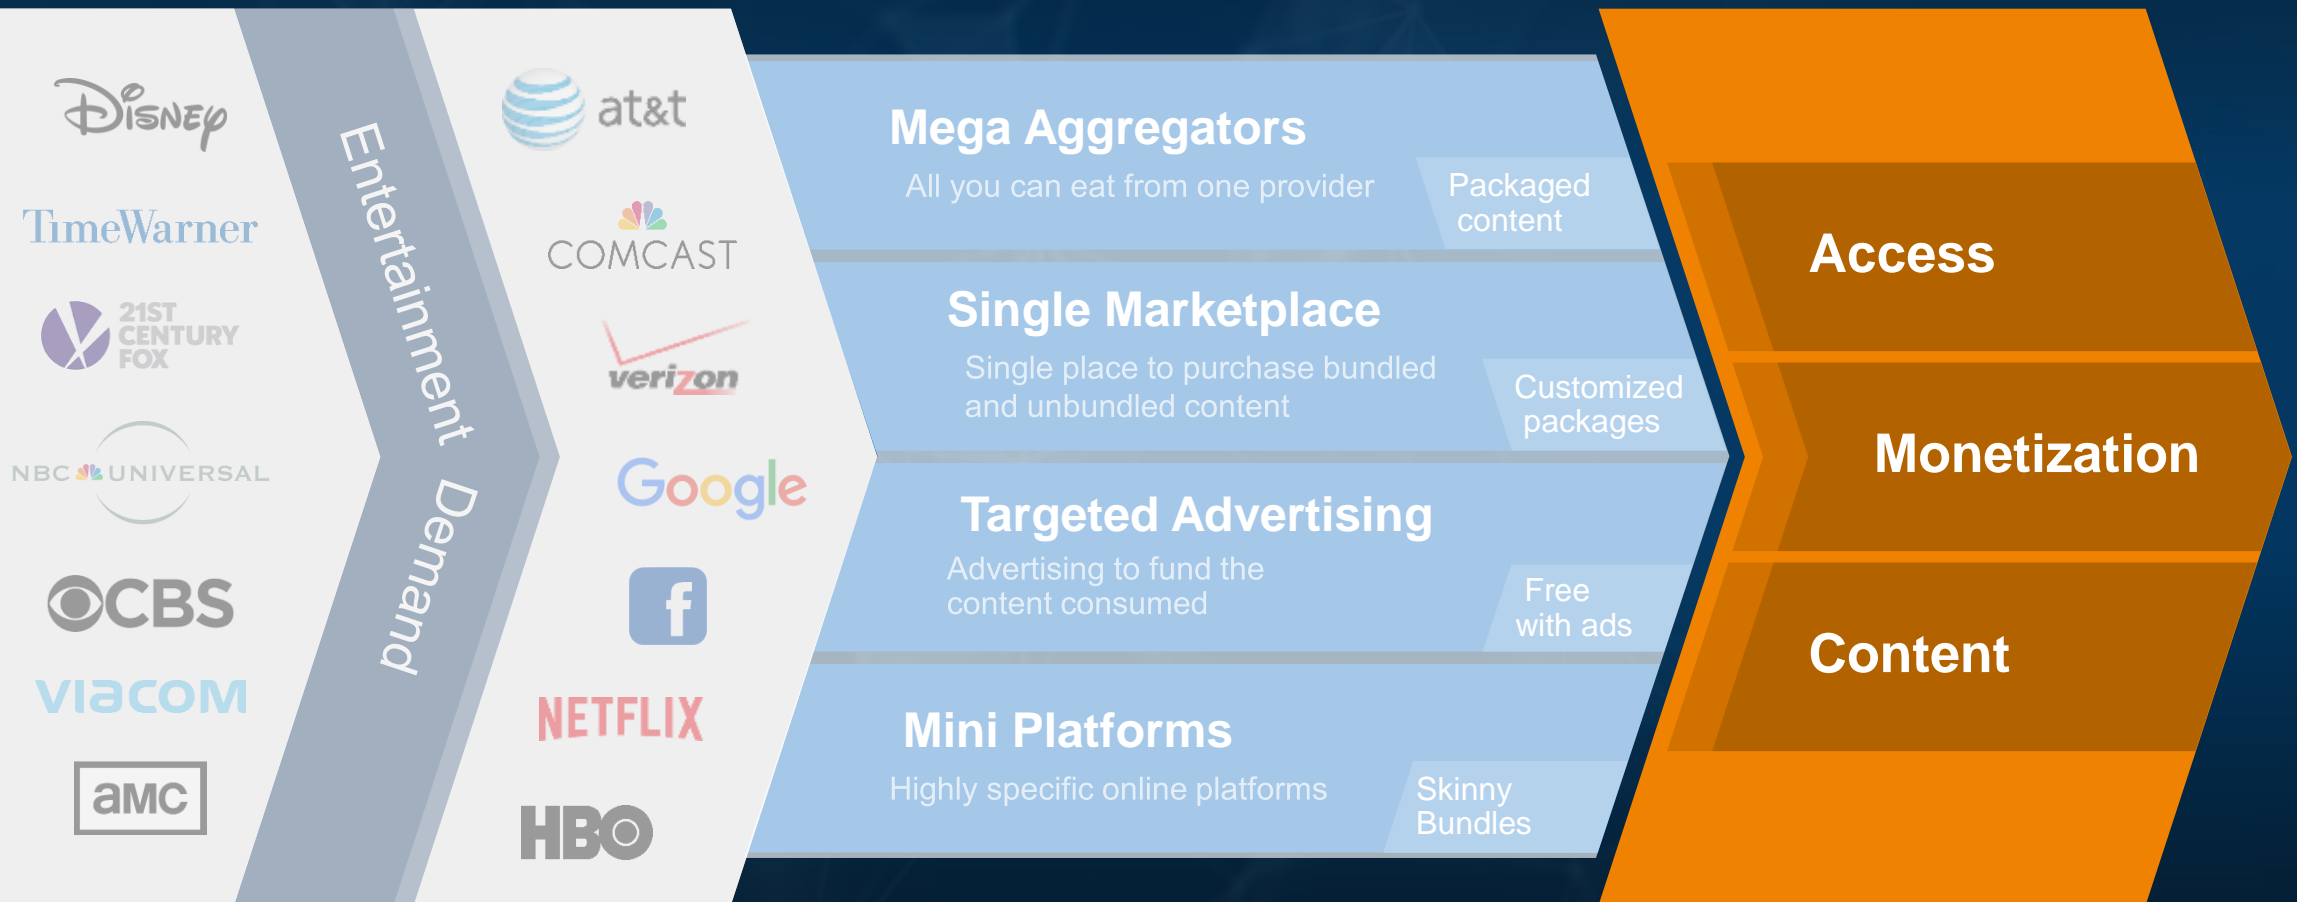

Intelligent personalized and contextual experiences

A New Genre of Media Companies are Born

The “**new normal**” of customer experience opens the door for non-traditional players

Powering the On-Demand Economy

Who is the on-demand consumer?

Tech and internet savvy

No long-term commitments

Purchase what they want,
when they want it

Acquire content from
multiple sources

Communication and
entertainment on-demand

What are the opportunities?

Monetizing OTT and on-demand

- Content and offers to occasional users
- Accelerate TTM with SaaS offers
- Integration with BSS for cross-bundling

Maximizing customer retention, loyalty and lifetime revenue

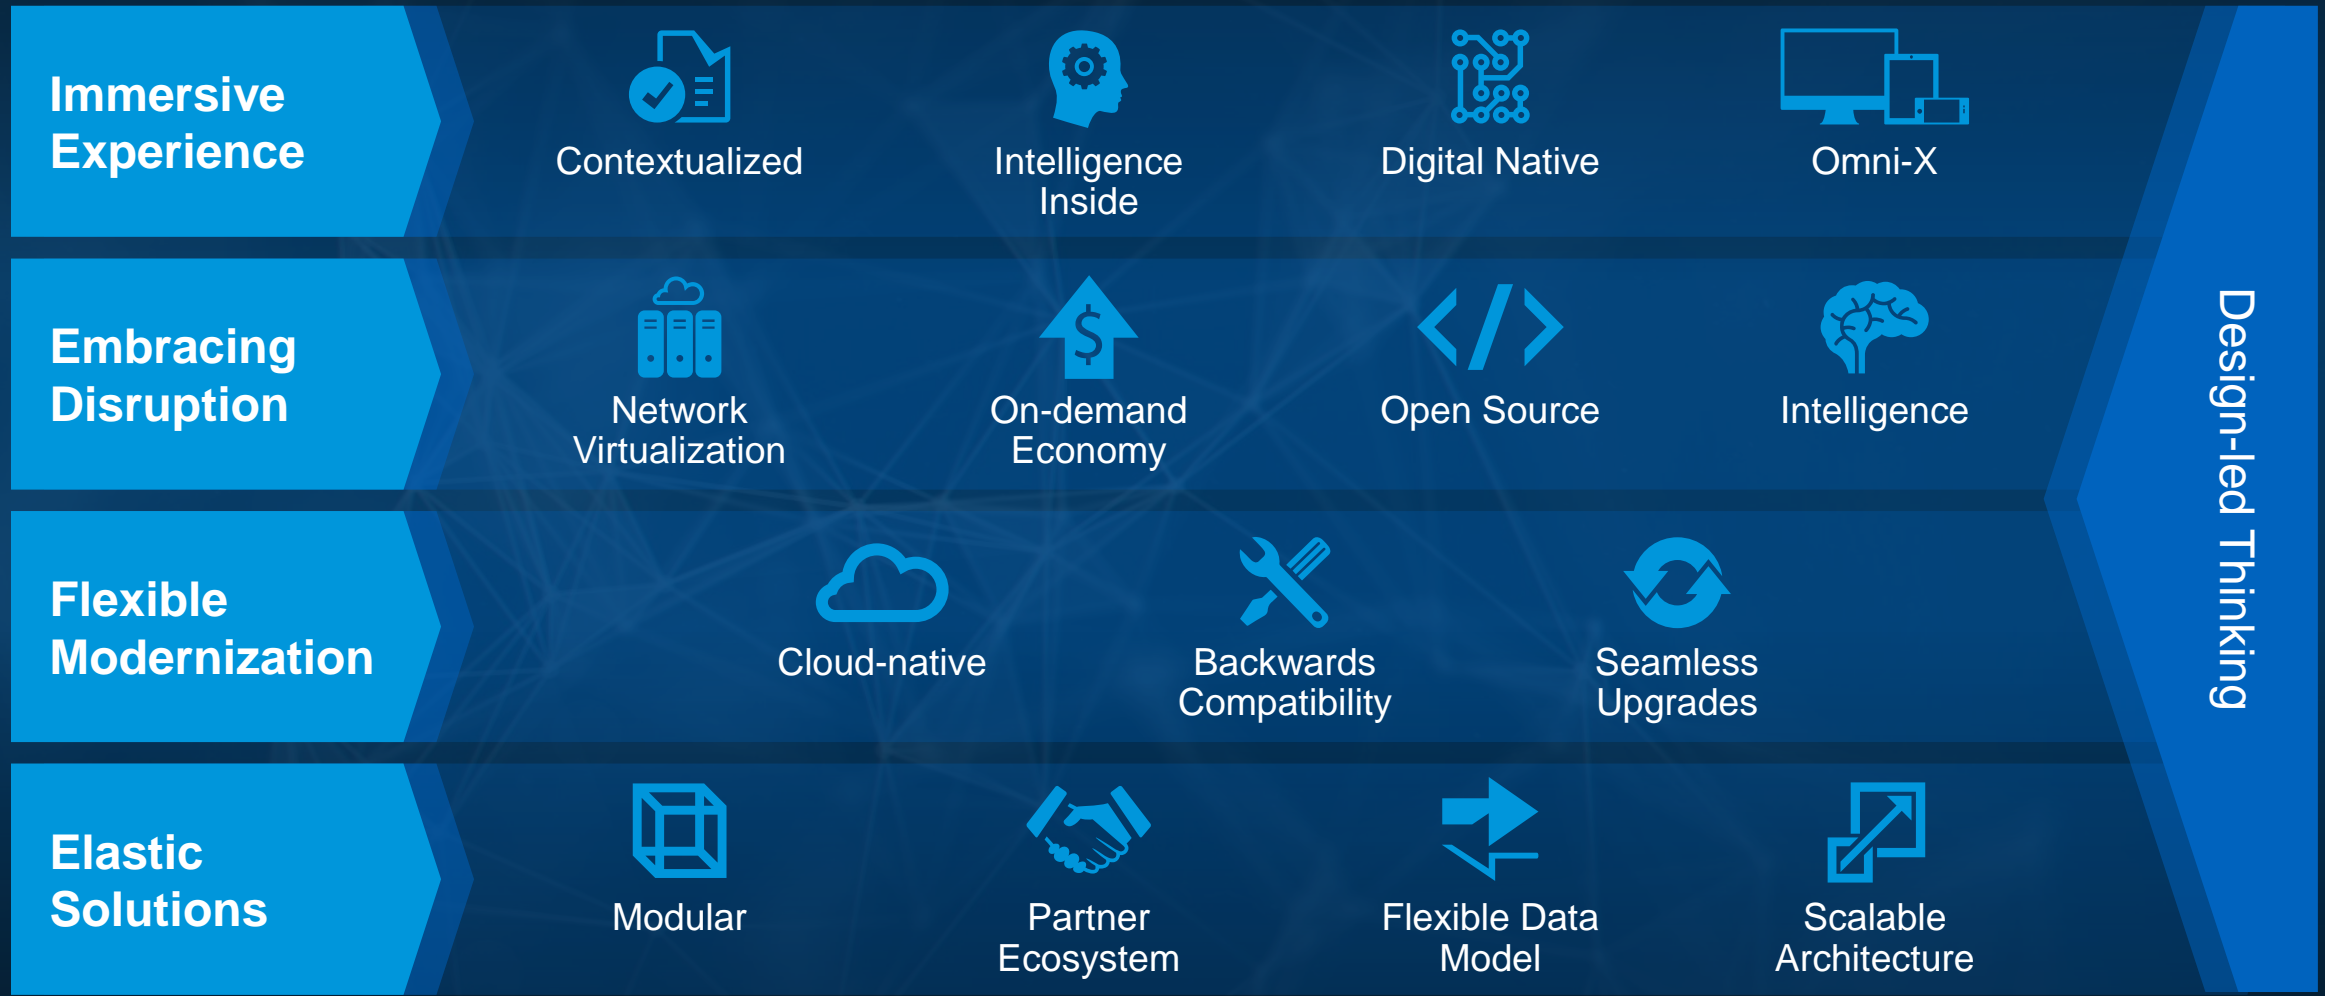

- Reduce passive customer churn
- Leverage data-driven pricing, promotion

Improve the customer experience

- Enhanced payment options
- Predictability in billing

Driving Investments in Technology to Enhance Capabilities

Tangible Technology Snapshot

Superior Customer Experiences

Leveraging Artificial Intelligence to optimize customer interactions

On-Demand OTT Engagement

Dynamic services and pricing to meet the needs of today's consumer

Sales Quote Order (SQO)

Revolutionizing the Enterprise//B2B space

Superior Customer Experiences

On-Demand OTT Engagement

Sales Quote Order (SQO)

The screenshot shows a tablet displaying the Amdocs Sales Quote Order (SQO) questionnaire. The interface is divided into several sections:

- Header:** Includes a search bar, user profile (JOSE VARGAS), and proposal details (The Coffee House proposal 105791, Created by: Jose Vargas, Last Modified: 24/11/2015, 0% Proposal maturity level).
- Section Header:** NEW PROPOSAL | QUESTIONNAIRE
- PROPOSAL NAME:** A text input field containing "The Coffee Shop".
- CUSTOMER INFORMATION:** A section with four input fields: Customer Type (SMB), Vertical (Retail Store), Number of Employees (250), and Number of Sites (9).
- SERVICES:** A grid of service selection buttons with icons: Voice Services, Mobility Services, Security Services, Broadband Services, Retail Suite, EVPN, Wifi Services, Digital Communications, and More.
- Navigation:** "Cancel" and "Next" buttons at the bottom.

Summary

Future proof technology platforms

Digitally Native and Intelligence driven

Industry expertise combined with accelerating innovation

Focused, Accountable delivery
