A proxy card for the annual general meeting for the fiscal year ended September 30, 2011 is enclosed and our Annual Report on Form 20-F is available on our website at www.amdocs.com/proxy or by request. Shareholders are entitled to appoint another person as proxy to exercise all or any rights to attend and to speak and vote at a meeting of the Company. A Shareholder may appoint more than one proxy in relation to a meeting provided that each proxy is appointed to exercise the rights in respect of different shares. If, within 30 minutes from the appointed time for the meeting, a quorum is not present, the meeting if convened by or upon a requisition shall be dissolved. AMDOCS LIMITED
PROXY STATEMENT
ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD ON THURSDAY, FEBRUARY 2, 2012

References in this Proxy Statement to “Amdocs”, “we”, “our” and “us” refer to Amdocs Limited and its consolidated subsidiaries and their respective predecessors.

This Proxy Statement and the accompanying proxy are being furnished to shareholders of Amdocs Limited, a company organized under the laws of Guernsey, in connection with the solicitation by its Board of Directors of proxies from holders of its outstanding ordinary shares, par value £0.01 per share, for use at the annual general meeting of shareholders to be held at 10:00 a.m., local time, on Thursday, February 2, 2012, at the offices of WilmerHale, 399 Park Avenue, New York, New York, 31st floor, or at any adjournments thereof (the “General Meeting”).

This Proxy Statement and the accompanying proxy are first being mailed or delivered to our shareholders on or about December 22, 2011.

At the General Meeting, the holders of our ordinary shares as of the close of business on December 5, 2011 (the “Record Date”) will be asked to take the following actions:

1. Elect 12 directors to serve until the next annual general meeting of shareholders or until their earlier resignation or removal or successors are elected and qualified (Proposal I);
2. Approve an amendment of the 1998 Stock Option and Incentive Plan increasing the number of shares authorized for issuance under the plan by 7,000,000 shares and making other specified changes (Proposal II);
3. Approve our Consolidated Financial Statements for the fiscal year ended September 30, 2011 (Proposal III); and
4. Ratify and approve the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2012, and until the next annual general meeting, and authorize the Audit Committee of the Board of Directors to fix the remuneration of such independent registered public accounting firm in accordance with the nature and extent of its services (Proposal IV).

The proxy confers discretionary authority with respect to any amendments or modifications of proposals that properly may be brought before the General Meeting. As of the date hereof, we are not aware of any such amendments or modifications or other matters to be presented for action at the General Meeting. However, if any other matters properly come before the General Meeting, the proxies solicited hereby will be exercised on such matters in accordance with the reasonable judgment of the proxyholders.

As of the Record Date, Amdocs had outstanding 172,265,944 ordinary shares. Each ordinary share is entitled to one vote on all matters presented at the General Meeting. Only holders of record of ordinary shares at the close of business on the Record Date are entitled to notice of, and to vote at, the General Meeting. Votes cast in person or by proxy at the General Meeting will be tabulated by the inspector of elections appointed for the General Meeting who will also determine whether a quorum is present for the transaction of business. Two or more shareholders of record, together holding a majority of our outstanding ordinary shares present in person or represented by proxy, shall constitute a quorum for purposes of the General Meeting.

Approval of Proposals I, II, III and IV requires the affirmative vote of a majority of our ordinary shares voted in person or by proxy at the General Meeting.

The enclosed proxy provides that each shareholder may specify that his, her or its ordinary shares be voted "for", "against" or "abstain" from voting with respect to each of Proposals II, III and IV. Each shareholder may specify that his, her or its ordinary shares may be voted "for" any of the director nominees named in Proposal I, or they may be "withheld" from any such nominees. If proxies in the accompanying form are properly executed and returned, the ordinary shares represented thereby will be voted in the manner specified therein. If not otherwise specified, in the reasonable discretion of the proxyholders, the ordinary shares represented by a proxy will be voted FOR each of the proposals.

Proxies will not be counted as voting in respect of any matter as to which abstention is indicated, but abstentions will be counted as ordinary shares that are present for purposes of determining whether a quorum is present at the General Meeting. Nominees who are members of the New York Stock Exchange, or the NYSE, and who, as brokers, hold ordinary shares in "street name" for customers have, by NYSE rules, the authority to vote on certain items in the absence of instructions from their customers, the beneficial owners of the ordinary shares. If such nominees or brokers indicate that they do not have authority to vote shares as to a particular matter (the "Broker Non-Votes"), we will not count those votes in favor of such matter. Broker Non-Votes will be counted as ordinary shares that are present for purposes of determining whether a quorum is present.

Shareholders of record are entitled to appoint one or more proxies to attend and vote at the General Meeting in their stead. If a shareholder of record elects to appoint a proxy other than by using the enclosed proxy card (or by Internet or telephone as provided in the instructions set forth in the enclosed proxy card), the shareholder must deliver such proxy, together with a power of attorney or other authority, at or before the General Meeting on February 2, 2012. We strongly encourage our shareholders to use the enclosed proxy card or to authorize the voting of their shares over the Internet or by telephone as provided in the instructions set forth in the enclosed proxy card.

Any shareholder giving a proxy may revoke it at any time before it is exercised at the General Meeting by:

- Filing with our Secretary, in care of our principal U.S. subsidiary, Amdocs, Inc. (at the address that appears on the last page of this Proxy Statement), written notice of such revocation bearing a later date than the proxy or a subsequent proxy relating to the same ordinary shares, provided that such proxy or subsequent proxy shall be deposited at such address at least 48 hours before the scheduled General Meeting or adjournment thereof, as the case may be; or
- Attending the General Meeting and voting in person (although attendance at the General Meeting will not in and of itself constitute revocation of a proxy).

Board Committees

Our Board of Directors has formed five committees as described below. Members of each committee are appointed by the Board of Directors.

Audit Committee. The Audit Committee reviews, acts on and reports to the Board of Directors with respect to various auditing and accounting matters, including the selection of our independent registered public accounting firm, the scope of the annual audits, fees to be paid to, and the performance of, such public accounting firm, and assists with the Board of Directors' oversight of our accounting practices, financial statement integrity and compliance with legal and regulatory requirements, including establishing and maintaining adequate internal control over financial reporting. The current members of our Audit Committee are Messrs. Gardner (Chair), McLennan and Olswang, all of whom are independent directors, as required by the rules of the NYSE, and pursuant to the categorical director independence standards adopted by our Board of Directors. The Board of Directors has determined that Mr. Gardner is an "audit committee financial expert" as defined by rules promulgated by the U.S. Securities and Exchange Commission, or the SEC, and that each member of the Audit Committee is financially literate as required by the rules of the NYSE. The Audit Committee written charter is attached to this Proxy Statement as Appendix A, and it is available on our website at www.amdocs.com.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee identifies individuals qualified to become members of our Board of Directors, recommends to the Board of Directors the persons to be nominated for election as directors at the annual general meeting of shareholders, develops and makes recommendations to the Board of Directors regarding our corporate governance principles and oversees the evaluations of our Board of Directors and our management. The current members of the Nominating and Corporate Governance Committee are Messrs. Olswang (Chair), Brodsky, Gardner, Kahan and Minicucci. All of the members of the Nominating and Corporate Governance Committee are independent directors, as required by rules of the NYSE and pursuant to the categorical director independence standards adopted by our Board of Directors. The Nominating and Corporate Governance Committee written charter is available on our website at www.amdocs.com. The Nominating and Corporate Governance Committee has approved corporate governance guidelines that are also available on our website at www.amdocs.com. You may request a copy of the corporate governance guidelines, at no cost, by writing to us at the address listed below under the heading "Annual Report on Form 20-F."

Compensation Committee. The Compensation Committee discharges the responsibilities of our Board of Directors relating to the compensation of the Chief Executive Officer of Amdocs Management Limited and makes recommendations to our Board of Directors with respect to the compensation of our other executive officers. The current members of our Compensation Committee are Messrs. McLennan (Chair), Anderson and Brodsky, all of whom are independent directors, as required by the rules of the NYSE, and pursuant to the categorical director independence standards adopted by our Board of Directors. The Compensation Committee written charter is available on our website at www.amdocs.com.

Executive Committee. The Executive Committee has such responsibilities as may be delegated to it from time to time by the Board of Directors. The current members of our Executive Committee are Messrs. Anderson (Chair), Gelman, Kahan, Lemelbaum and Minicucci.

Technology and Innovation Committee. The Technology and Innovation Committee was established to assist the Board of Directors in reviewing our technological development, opportunities and innovation, in connection with our current and future business and markets. The current members of our Technology and Innovation Committee are Messrs. Zisapel (Chair), Anderson, Gelman, Lemelbaum and Dr. Yaron.

Our independent directors receive no compensation from us, except in connection with their membership on the Board of Directors and its committees as described below regarding Non-Employee Directors under "—Compensation of Directors".

Board and Committee Meetings

During the past fiscal year, the Board of Directors held six meetings. In addition, the Audit Committee held eight meetings, the Compensation Committee held three meetings, the Nominating and Corporate Governance Committee held five meetings, the Executive Committee held three meetings and the Technology and Innovation Committee held four meetings in the 2011 fiscal year. During fiscal 2011, each of our directors attended at least 75% of the aggregate number of meetings of the Board of Directors held during the time he was serving as a director and meetings held by all committees on which he then served, except for one director, who has since resigned. During fiscal 2011, our directors who are not our employees, which we refer to as Non-Employee Directors, held four meetings without management present. Executive sessions of the Non-Employee Directors are generally held in conjunction with regularly scheduled meetings of the Board of Directors. At other times, such meetings may be held at the request of any Non-Employee Director. The presiding director of each such executive session is elected by the Non-Employee Directors who attend such executive session. Shareholders and other interested parties may communicate directly with the presiding directors or with the independent directors as a group as described below under the heading "Communicating with the Independent Directors."

Communicating with the Independent Directors

The Board of Directors will give appropriate attention to written communications that are submitted by shareholders and other interested parties, and will respond if and as appropriate. The Chairman of the Board, with the assistance of our corporate secretary, is primarily responsible for monitoring communications from shareholders and other interested parties and for providing copies or summaries to the directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that our Chairman and corporate secretary consider to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Shareholders who wish to send communications on any topic to the Board of Directors or to our independent or presiding directors should address such communications c/o Corporate Secretary, Amdocs Inc., 1390 Timberlake Manor Parkway, Chesterfield, Missouri 63017.

Significant Corporate Governance Differences

We believe there are no significant ways that our corporate governance practices differ from those followed by U.S. domestic issuers under the NYSE listing standards.

Director Qualification Standards

Our Board of Directors has adopted a formal set of categorical independence standards with respect to the determination of director independence.

In accordance with these standards and the rules of the NYSE, our Board of Directors has determined that each of the following 11 of our current 12 directors has no material relationship with us and is therefore independent: Messrs. Minicucci, Anderson, Gardner, McLennan, Olswang, Zisapel, Brodsky, Kahan, LeFave and Lemelbaum and Dr. Yaron.

The full text of our categorical standards is attached to this Proxy Statement as Appendix B.

Code of Ethics and Business Conduct

Our Board of Directors has adopted a Code of Ethics and Business Conduct that sets forth legal and ethical standards of conduct for our directors and employees, including executive officers, our subsidiaries and other business entities controlled by us worldwide. The code is available on our website at www.amdocs.com and you may request a copy, at no cost, by writing to us at the address listed below under the heading "Annual Report on Form 20-F." We intend to post on our website all disclosures that are required by law or NYSE rules concerning any amendments to, or waivers from, any provision of the code.

Risk Management Oversight

Our management is responsible for assessing and managing risk, and periodically reviews areas of material risk within our organization in order to evaluate and enhance risk identification and mitigation strategies. Our Board of Directors oversees and reviews these risk management efforts as they relate to strategic and business risks. Our audit committee oversees and reviews these efforts as they relate to operational and financial risks, and it periodically reports and makes recommendations to our Board of Directors.

Compensation Policies and Practices

We structure our compensation to consist of both fixed and variable elements, including salary, equity and cash bonuses. The fixed portions of compensation, such as salary, are designed to be local market based and provide steady income regardless of our stock price performance. The variable portions of compensation, such as equity incentives and performance bonuses, are designed to reward the accomplishment of both short- and long-term objectives. By basing a portion of our compensation on our long-term performance, we believe we reduce the risk that employees will focus on short-term goals to the detriment of our long-term stability. Further, our short-term incentive compensation is designed to reward short-term goals that we believe will enhance our long-term corporate success. Additionally, although we vary the elements of compensation that we use at different employee positions and rank, our compensation philosophy is applicable to all employees, including our executives. We believe this encourages consistent behavior across our organization, rather than establishing different approaches depending on an employee's position or rank. We do not believe our compensation policies and practices encourage excessive or inappropriate risk taking.

Compensation of Directors

Each Non-Employee Director receives compensation for his services as a director in the form of cash and restricted shares. Each Non-Employee Director receives an annual cash payment of \$80,000. Each member of our Audit and Executive Committees who is a Non-Employee Director and who is not the chairman of such committees receives an annual cash payment of \$5,000. Each member of our Compensation, Nominating and Corporate Governance and Technology and Innovation Committees, who is a Non-Employee Director and who is not the chairman of such committees, receives an annual cash payment of \$1,000. The Chairmen of our Audit and Executive Committees each receives an annual cash payment of \$10,000 and the Chairmen of our Compensation, Nominating and Corporate Governance and Technology and Innovation Committees each receives an annual cash payment of \$5,000. Each Non-Employee Director receives an annual grant of restricted shares at a total value of \$150,000. The Chairman of the Board of Directors receives an additional annual amount equal to \$200,000, of which \$75,000 is paid in cash and \$125,000 is awarded in the form of restricted shares. All restricted share awards to our Non-Employee Directors are immediately vested with respect to 25%, with the remainder vesting annually in three equal installments. The price per share for the purpose of determining the value of the grants to our Non-Employee Directors is the NYSE closing price of our shares on the last trading day preceding the grant date. We also reimburse all of our Non-Employee Directors for their reasonable travel expenses incurred in connection with attending Board or committee meetings.

During the 2011 fiscal year, we granted to 12 Non-Employee Directors an aggregate of 71,379 restricted shares at a weighted average price of \$26.97 per share, with vesting over three year terms.

It is proposed that each of the following 12 individuals be elected to serve as a director of Amdocs Limited until the next annual general meeting of shareholders or until his earlier resignation or removal or until his respective successor is elected and qualified:

AUDIT COMMITTEE MATTERS

Our management is responsible for the preparation of our financial statements and for maintaining an adequate system of disclosure controls and procedures and internal control over financial reporting for that purpose. Our independent registered public accounting firm is responsible for conducting an independent audit of our annual financial statements in accordance with generally accepted accounting principles, as well as an independent audit of management's assessment of our internal control over financial reporting, and issuing reports on the results of their audits. The Audit Committee is responsible for providing independent, objective oversight of these processes.

The Audit Committee has reviewed our audited financial statements for the fiscal year ended September 30, 2011 and has discussed these financial statements with our management and independent registered public accounting firm.

The Audit Committee has also discussed with our independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees). SAS 61 (as codified in AU Section 380 of the Codification of Statements on Auditing Standards) requires our independent registered public accounting firm to discuss with our Audit Committee, among other things, the following:

- methods to account for significant unusual transactions;
- the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and
- disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

Our independent registered public accounting firm also provided the Audit Committee with the written disclosures and the letter required by the Public Company Accounting Oversight Board (PCAOB) Ethics and Independence Rule 3526 (Rule 3526), Communication with Audit Committees Concerning Independence. PCAOB Rule 3526 requires auditors annually to disclose in writing all relationships that in the auditor's professional opinion may reasonably be thought to bear on independence, confirm their perceived independence and engage in a discussion of independence. The Audit Committee has discussed with the independent registered public accounting firm its independence from us.

Based on its discussions with management and the independent registered public accounting firm, and its review of the representations and information provided by management and the independent registered public accounting firm, the Audit Committee recommended to our Board of Directors that the audited financial statements be included in our Annual Report on Form 20-F for the fiscal year ended September 30, 2011.

Pre-Approval Policies and Procedures

The Audit Committee has adopted policies and procedures relating to the pre-approval of all audit services to be provided to us, whether provided by our principal auditor or other firms, and all other services to be provided to us by our independent registered public accounting firm. These policies generally provide that we will not engage our independent registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by the Audit Committee or the engagement is entered into pursuant to the pre-approval procedure described below.

From time to time, the Audit Committee may pre-approve specified types of services that are expected to be provided to us by our independent registered public accounting firm during the next 12 months. Any such pre-approval is detailed as to the particular service or type of services to be provided and is also generally subject to a maximum dollar amount.

PROPOSAL II
AMENDMENT TO STOCK OPTION AND INCENTIVE PLAN

On November 8, 2011, our Board of Directors adopted, subject to shareholder approval, an amendment to our 1998 Stock Option and Incentive Plan, as amended, which we refer to as the 1998 Plan, increasing from 55,300,000 to 62,300,000 the maximum number of ordinary shares issuable under the 1998 Plan and making the other changes described below.

The 1998 Plan was last amended in January 2008. As of November 30, 2011, of the 55,300,000 ordinary shares reserved for issuance under the 1998 Plan prior to giving effect to this amendment, awards with respect to an aggregate of 46,203,807 ordinary shares (net of cancellations and forfeitures) had been granted, of which 25,602,339 shares have been issued upon option exercises and restricted share issuances that have vested, 19,071,061 remain subject to outstanding option awards, 1,530,407 remain subject to outstanding unvested restricted stock awards, and 9,096,193 ordinary shares remained available for future awards. In addition, there are options to purchase 218,352 ordinary shares outstanding as a result of acquisitions we have made.

Based on 172,265,944 ordinary shares outstanding as of December 5, 2011, which is the Record Date, the number of shares reserved for issuance pursuant to outstanding awards granted and the number of shares available for future grants represented approximately 16.4% of our shares outstanding on a fully diluted basis, assuming all shares reserved for issuance pursuant to outstanding awards granted and all shares available for future grants were issued and outstanding.

As of November 30, 2011, the closing price of our ordinary shares was \$28.24 per share. Of the options to purchase 19,071,061 ordinary shares that were outstanding as of November 30, 2011, awards to purchase 11,348,965 ordinary shares were at an exercise price of \$28.25 or greater. These awards with an exercise price greater than the current trading price of the ordinary shares, so-called “underwater” awards, represented approximately 59.5% of the ordinary shares reserved for issuance pursuant to outstanding awards. The weighted average remaining life of the options outstanding as of November 30, 2011 was 6.05 years, and their weighted average exercise price was \$28.81.

The following table summarizes information, as of November 30, 2011, regarding our equity compensation plans. The table does not include the additional shares that may be issuable pursuant to the proposed amendments to the 1998 Plan that are the subject of this Proposal II.

	As of November 30, 2011		
	Number of Ordinary Shares to be Issued Upon Exercise of Outstanding Options, Restricted Stock-Based Awards, Warrants and Rights	Weighted Average Exercise Price of Outstanding Options, Restricted Stock-Based Awards, Warrants and Rights	Number of Ordinary Shares Remaining Available for Future Issuance Under Equity Compensation Plans(1)
Equity compensation plans approved by shareholders	20,601,468(2)	28.81	9,096,193(3)
Equity compensation plans not approved by shareholders(3)	218,352(4)	23.36	—
Total	20,819,820	28.75(5)	9,096,193

- (1) Excludes the shares listed under the column heading “Number of Ordinary Shares to be Issued Upon Exercise of Outstanding Options, Restricted Stock-Based Awards, Warrants and Rights.”
- (2) Consists of options to purchase 19,071,061 ordinary shares and 1,530,407 restricted shares.
- (3) Consists of shares available for future issuance under the 1998 Plan.

- (4) Consists of options assumed in connection with acquisitions. No additional awards were or can be granted under the plans that originally issued these awards.
- (5) Of the 20,819,820 ordinary shares reflected, 19,289,413 are ordinary shares to be issued upon exercise of outstanding options with a weighted average exercise price of \$28.75 and a weighted average remaining life of 6.04 years, and 1,530,407 are restricted shares.

Under our practices over the last three fiscal years, and as set forth in the table below, the combined run rate for usage of ordinary shares, or the burn rate, used for grants to participants under 1998 Plan has been 2.08% for fiscal 2009, 2.66% for fiscal 2010 and 2.90% for fiscal 2011:

<u>Type of Award</u>	<u>Fiscal Year Ended September 30,</u>		
	<u>2011</u>	<u>2010</u>	<u>2009</u>
	(in thousands)		
Stock options granted	4,210	4,735	3,658
Restricted shares granted	1,154	650	583
Weighted-average basic ordinary shares outstanding	185,213	202,584	204,023
Burn rate	2.90%	2.66%	2.08%

The Board of Directors considers availability of ordinary shares for future grants under the 1998 Plan to be important to the business prospects and operations of the company and believes that, after giving effect to the proposed 7,000,000 share increase of the 1998 Plan, we will have sufficient awards available for grant to our employees and others for the next two to three years. The Board considers grants of options and restricted stock to be an effective method to attract and retain officers, directors, employees and consultants, and to encourage long-term performance and productivity. The company will not be able to grant awards under the 1998 Plan after January 17, 2016.

The Board of Directors believes that the increase in the number of shares issuable under the 1998 Plan and the other changes described below are in the best interests of the company and its shareholders.

Proposed Amendment of the 1998 Stock Option and Incentive Plan

Following is a summary of the material changes proposed to be made to the 1998 Plan. The following summary of material changes is qualified in its entirety by reference to the 1998 Plan, as proposed to be amended, a copy of which is attached as Appendix C.

- *Shares Available.* The proposed amendment increases by 7,000,000 the number of ordinary shares available for issuance under the 1998 Plan.
- *Stock Appreciation Rights.* The proposed amendment provides that stock appreciation rights may only be awarded with an exercise price that is at least equal to the fair market value of our ordinary shares on the date of grant and with a term of no longer than 10 years.
- *Sublimit on "Full Value" Awards.* The proposed 7,000,000 additional shares that will be available for grant under the 1998 Plan if the amendment is approved by shareholders may only be granted in the form of stock options or stock appreciation rights. The 1998 Plan was amended in 2008 to impose a sublimit that restricts our ability to make "full value" stock-based awards, such as restricted stock or awards denominated in stock units, to 9,700,000 ordinary shares. After taking into account full value awards granted after the 2008 amendment, subject to shareholder approval of the proposed amendment, we will have the ability to grant after November 30, 2011 restricted shares or awards denominated in stock units with respect to no more than 7,554,579 ordinary shares. In the event any ordinary shares that were subject to a full value award made prior to November 30, 2011 cease to be subject to such award (other than by reason of exercise or payment of the award to the extent it is settled in shares), such shares shall again be available for full value awards, without regard to the 7,554,579 ordinary share sublimit that will be in effect following the amendment.

Description of the 1998 Stock Option and Incentive Plan (as proposed to be amended)

The following is a summary of the 1998 Stock Option and Incentive Plan (as proposed to be amended), a copy of which is attached as Appendix C. The following summary is qualified in its entirety by reference to the 1998 Plan.

Purpose. The purpose of the 1998 Plan is to afford an incentive to grantees to acquire a proprietary interest in the company, to continue in service of the company, to increase their efforts on behalf of the company and to promote the success of the company's business.

Types of Awards. The 1998 Plan provides for the grant of stock options (which may be either incentive stock options or nonqualified stock options), stock appreciation rights, restricted stock awards and other stock-based awards, which we collectively refers to as "awards."

Stock Options. Grantees receive the right to purchase a specified number of ordinary shares at a specified option price and subject to such other terms and conditions as are specified in connection with the option grant. Options may not be granted at an exercise price that is less than 100% of the fair market value of our ordinary shares on the date of grant and may not be granted for a term in excess of ten years. Payment of the exercise price of options may be by cash, delivery of ordinary shares, a combination thereof, or, in connection with a broker-assisted exercise. The vesting of option awards can be based on the achievement of specified performance goals or on the passage of time. Although we have never done so, the 1998 Plan permits us to make loans to grantees in connection with the exercise of outstanding options. Options may generally only be exercised while the grantee is in our service or employ. If the grantee's service ends for any reason other than cause, death or disability, his or her option will expire 90 days after such cessation. Termination for cause results in expiration of the option upon the termination date. Termination due to death or disability allows, in general, for the option to be exercised for 12 months, but in no event after the option's stated final expiration date. The 1998 Plan prohibits the grant of options containing a provision entitling a grantee to the automatic grant of additional options in connection with any exercise by the grantee of his or her options.

Restricted Stock Awards. Restricted stock awards entitle grantees to acquire ordinary shares subject to the right of Amdocs Limited or any of its subsidiaries to repurchase all or part of such shares from the grantee in the event that the conditions specified in the applicable award are not satisfied prior to the end of the applicable restriction period established for such award. The vesting of restricted stock awards can be based on the achievement of specified performance goals or on the passage of time.

Stock Appreciation Rights. The Committee may also grant stock appreciation rights without the grant of an accompanying option, which rights shall permit the grantee to receive, at the time of any exercise of such rights, cash equal to the amount by which the fair market value of all shares of ordinary shares in respect to which the right was exercised exceeds the exercise price thereof. The exercise price of a stock appreciation right shall not be less than the fair market value on the date the stock appreciation right is granted and no stock appreciation right may be granted with a term in excess of 10 years. As of the date of this Proxy Statement, we have never granted stock appreciation rights under the 1998 Plan.

Other Stock-Based Awards. The committee administering the 1998 Plan may grant other awards pursuant to which ordinary shares may be acquired or awards denominated in stock units. As of the date of this Proxy Statement, we have never granted such other stock-based awards under the 1998 Plan.

Eligibility to Receive Awards. All officers, directors, employees and consultants of Amdocs Limited, or of any parent or subsidiary of Amdocs Limited, are eligible to receive awards under the 1998 Plan. Under the 1998 Plan, a subsidiary means any entity in which Amdocs Limited holds, directly or indirectly, 50% or more of its voting power.

Shares Available. Awards may be made under the 1998 Plan for up to 62,300,000 ordinary shares (including the 7,000,000 ordinary shares subject to the proposed amendment), with a limit of 7,554,579 ordinary shares that may be issued after November 30, 2011 pursuant to restricted stock or awards denominated in stock units. If any award expires or is terminated, surrendered, cancelled (including the repurchase of unvested restricted stock at its original issuance price) or forfeited, the unused shares covered by such award (other than any shares surrendered by reason of exercise or payment of the award to the extent it is settled in shares) will again be available for grant under the 1998 Plan, with the exception of (i) shares that were subject to a stock-settled stock appreciation right and were not issued upon the net settlement or net exercise of such stock appreciation right, (ii) shares used to pay the exercise price of a stock option, (iii) shares delivered to or withheld by the company to pay the withholding taxes related to an award, or (iv) shares repurchased on the open market with proceeds of a stock option exercise. Any shares subject to a full value award made prior to November 30, 2011 that cease to be subject to such award (other than by reason of exercise or payment of the award to the extent it is settled in shares) shall again be available for full value awards, without regard to the 7,554,579 Ordinary Share sublimit that will be in effect following this amendment.

Administration. The 1998 Plan is administered by a committee established by the Board of Directors, which we refer to as the Committee. The Committee has the authority to administer the 1998 Plan and to exercise all the powers and authorities either specifically granted to it under the 1998 Plan or necessary or advisable in the administration of the 1998 Plan, and to make all other determinations deemed necessary or advisable for the administration of the 1998 Plan.

Assumed or Substitute Awards. If, in connection with a business combination transaction, we assume or substitute for awards originally granted by another entity, and such assumed or substituted awards will be administered under the 1998 Plan, such awards (1) will not count as part of the total number of ordinary shares that may be made subject to awards under the 1998 Plan, subject to any limitations required by the U.S. Internal Revenue Code of 1986, as amended, and (2) will be on such terms as the Board deems appropriate notwithstanding any limitations contained in the 1998 Plan on new awards.

Adjustments. The Committee is required to make appropriate adjustments in connection with the 1998 Plan and any outstanding awards to reflect stock dividends, recapitalizations, stock splits, combinations or exchanges of ordinary shares and other similar transactions which result in any increase or decrease in the number of issued ordinary shares effected without receipt of consideration. In the event of a proposed sale of all or substantially all the assets of Amdocs, merger, liquidation, dissolution or other similar event, the Committee is authorized to provide for outstanding awards to be assumed or substituted for, to accelerate the awards to make them fully exercisable prior to consummation of the acquisition event, to provide that the awards will terminate as a fixed date following their acceleration or to provide for a cash-out of any outstanding options.

Amendment or Termination. No award may be made under the 1998 Plan after January 17, 2016. The Board of Directors may at any time suspend, terminate, modify or amend the 1998 Plan, however, shareholders must approve any amendment that would (1) increase the aggregate number of ordinary shares issuable under the 1998 Plan, (2) materially increase the benefits accruing to grantees, (3) change the class of employees eligible for participation, (4) extend the period during which awards may be granted or (5) provide for an option that is exercisable more than 10 years after the date it is granted.

No Repricing of Options or Stock Appreciation Rights. The 1998 Plan prohibits the repricing of options or stock appreciation rights under the 1998 Plan without shareholder approval. Specifically, except in connection with a corporate transaction involving us (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of outstanding awards may not be amended to reduce the exercise price of outstanding options or stock appreciation rights, or cancel outstanding options or stock appreciation rights, in exchange for cash, other awards or options or stock appreciation rights with an exercise price that is less than the exercise price of the original options or stock appreciation rights without shareholder approval.

Nontransferability. Awards granted under the 1998 Plan are not transferable other than by will or by the laws of descent and distribution, other than pursuant to a qualified domestic relations order.

Section 102 Awards. Under the 1998 Plan, nonqualified stock options and restricted stock awards may be granted to employees and consultants of Amdocs Limited or any of its subsidiaries or parents pursuant to the provisions of Section 102 of the Israel Tax Ordinance (New Version) 1961. Section 102 is designed to afford qualified recipients with specified favorable tax treatment in Israel.

It is proposed that the following Ordinary Resolution be adopted at the General Meeting:

“*RESOLVED*, that the 1998 Stock Option and Incentive Plan, as amended, in the form attached to the company’s Proxy Statement as Appendix C, be and hereby is approved.”

Required Affirmative Vote

The affirmative vote of holders of a majority of the ordinary shares issued and outstanding is necessary for the approval of the Ordinary Resolution to approve the amendment to the 1998 Plan. If Proposal II is not approved by the shareholders, the 1998 Plan will continue in accordance with its existing terms and the Board will evaluate other alternatives for achieving the purposes of the plan.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE AMENDMENT AND CONTINUATION OF THE 1998 PLAN AS SET FORTH IN APPENDIX C ATTACHED HERETO.

d. Additional Powers — The Audit Committee shall have such other duties as may be delegated from time to time by the Board of Directors.

CATEGORICAL STANDARDS

In addition to applying the requirements under the NYSE rules, the Board has adopted guidelines to assist it in determining whether a director has a “material relationship” with the Company. Under these guidelines, a director will be considered to have a material relationship with the Company if during the last three years prior to the independency determination date:

- Charitable Contributions. The director, or an immediate family member of the director, has served as an executive officer of a charitable organization that receives payments from the Company in an amount which, in any single fiscal year since the determination date, exceeds the greater of \$1,000,000, or 2% of such charitable organization consolidated gross revenues as reported in its last completed fiscal year.
- Indebtedness. The director or an immediate family member of the director has served, as an executive officer of another company which was indebted to the Company, or to which the Company was indebted, at the time the director was serving as an executive officer, where the total amount of either company’s indebtedness to the other in any single fiscal year since the determination date exceeds five percent (5%) of such company’s consolidated gross revenues as reported in its last completed fiscal year.

For purposes of the above standards: (i) “**Company**” includes Amdocs Limited and any parent or subsidiary that would be required under U.S. generally accepted accounting principles to prepare financial statements on a consolidated basis; and (ii) “**Immediate Family Member**” includes a person’s spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person’s home, other than individuals who are no longer immediate family members as a result of legal separation or divorce, or those who have died or become incapacitated.

AS PROPOSED TO BE AMENDED ON FEBRUARY 2, 2012

1. Purpose; Type of Awards; Construction

The purpose of the Amdocs Limited 1998 Stock Option and Incentive Plan (the "Plan") is to afford an incentive to officers, directors, employees and consultants of Amdocs Limited (the "Company"), or any subsidiary of the Company which now exists or hereafter is organized or acquired by the Company, to acquire a proprietary interest in the Company, to continue as employees, directors and consultants, to increase their efforts on behalf of the Company and to promote the success of the Company's business. It is further intended that options granted by the Committee (as such a term is defined below) pursuant to Section 8 of the Plan shall constitute "incentive stock options" ("Incentive Stock Options") within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), and options granted by the Committee pursuant to Section 7 of the Plan shall constitute "nonqualified stock options" ("Nonqualified Stock Options"). The Committee may also grant restricted shares ("Restricted Stock") under the Plan pursuant to Section 9 of the Plan. If the Committee so determines it may grant Nonqualified Stock Options or Restricted Stock pursuant to the provisions of Section 102 of the Israel Income Tax Ordinance (New Version) 1961, and any regulations, rules, orders or procedures promulgated thereunder ("102 Securities").

- (b) "Disability" shall mean the inability of a Grantee (as defined in Section 3 hereof) to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or that has lasted or can be expected to last for a continuous period of not less than twelve (12) months.
- (c) "Fair Market Value" per share as of a particular date shall mean (i) if the shares of Ordinary Shares are not then listed on a national securities exchange or traded in an over-the-counter market, such value as the Committee, in its sole discretion, shall determine; or (ii) if the shares of Ordinary Shares are then traded on a national securities exchange the closing sales price per share of Ordinary Shares on the national securities exchange, on which the Ordinary Shares are principally traded, for the last preceding date on which there was a sale of such Ordinary Shares on such exchange, or (iii) if the shares of Ordinary Shares are then traded in an over-the-counter market, the average of the closing bid and asked prices for the shares of Ordinary Shares in such over-the-counter market for the last preceding date on which there was a sale of such Ordinary Shares in such market.
- (d) "Option" or "Options" shall mean a grant to a Grantee (as defined in Section 3 hereof) of an option or options to purchase shares of Ordinary Shares. Options granted by the Committee (as defined in Section 3 hereof), pursuant to the Plan shall constitute either Incentive Stock Options or Nonqualified Stock Options.
- (e) "Parent" shall mean any company (other than the Company) in an unbroken chain of companies ending with the Company if, at the time of granting an award, each of the companies other than the Company owns stock possessing fifty percent (50%) or more of the total combined voting power of all classes of stock in one of the other companies in such chain.
- (f) "Subsidiary" shall mean any company (other than the Company) in an unbroken chain of companies beginning with the Company if, at the time of granting an award, each of the companies other than the last company in the unbroken chain owns stock possessing fifty percent (50%) or more of the total combined voting power of all classes of stock in one of the other companies in such chain.

(g) “Ten Percent Stockholder” shall mean a Grantee (as defined in Section 3 hereof), who, at the time an Incentive Stock Option is granted, owns stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary.

3. Administration

The Plan shall be administered by a committee (the “Committee”) established by the Board of Directors of the Company (the “Board”).

The Committee shall have the authority in its discretion, subject to and not inconsistent with the express provisions of the Plan, to administer the Plan and to exercise all the powers and authorities either specifically granted to it under the Plan or necessary or advisable in the administration of the Plan, including, without limitation, the authority to grant Options and Restricted Stock; to determine which Options shall constitute Incentive Stock Options and which Options or Restricted Stock shall constitute Nonqualified Stock Options or 102 Securities; to determine the kind of consideration payable (if any) with respect to awards; to determine the period during which Options may be exercised and Restricted Stock shall be subject to restrictions, and whether in whole or in installments; to determine the persons to whom, and the time or times at which awards shall be granted (such persons are referred to herein as “Grantees”); to determine the number of shares to be covered by each award; to interpret the Plan; to prescribe, amend and rescind rules and regulations relating to the Plan; to determine the terms and provisions of the agreements (which need not be identical) entered into in connection with awards granted under the Plan (the “Agreements”); to cancel or suspend awards, as necessary; and to make all other determinations deemed necessary or advisable for the administration of the Plan.

The Committee may delegate to one or more of its members or to one or more agents such administrative duties as it may deem advisable, and the Committee or any person to whom it has delegated duties as aforesaid may employ one or more persons to render advice with respect to any responsibility the Committee or such person may have under the Plan. All decisions, determinations and interpretations of the Committee shall be final and binding on all Grantees of any awards under this Plan.

The Board shall fill all vacancies, however caused, in the Committee. The Board may from time to time appoint additional members to the Committee, and may at any time remove one or more Committee members and substitute others.

No member of the Board or Committee shall be liable for any action taken or determination made in good faith with respect to the Plan or any award granted hereunder.

4. Eligibility

Officers, Directors, other employees and consultants of the Company or of any Subsidiary or Parent shall be eligible to receive awards hereunder. In determining the persons to whom awards shall be granted and the number of shares to be covered by each award, the Committee, in its sole discretion, shall take into account the contribution by the eligible individuals to the management, growth and/or profitability of the business of the Company and such other factors as the Committee shall deem relevant.

5. Ordinary Shares

The maximum number of Ordinary Shares reserved for grant of awards under the Plan shall be 62,300,000. Such shares may, in whole or in part, be authorized but unissued shares. The foregoing numbers of shares may be increased or decreased by the events set forth in Section 10 hereof.

If any outstanding award under the Plan should, for any reason expire, be canceled or be terminated without having been exercised in full, the shares of Ordinary Shares allocable to the unexercised, canceled or terminated portion of such award shall (unless the Plan shall have been terminated) become available for subsequent grants of awards under the Plan; provided that an award under the plan may not again be made available for issuance under the plan if such Ordinary Shares are: (i) Ordinary Shares that were subject to

stock-settled stock appreciation rights and were not issued upon the net settlement or net exercise of such stock appreciation rights, (ii) Ordinary Shares used to pay the Option Price, (iii) Ordinary Shares delivered to or withheld by the Company to pay the withholding taxes related to an award, or (iv) Ordinary Shares repurchased on the open market with proceeds of an Option exercise.

6. Terms and Conditions of Options

Each Option granted pursuant to the Plan shall be evidenced by a written agreement between the Company and the Grantee (the "Option Agreement"), in such form as the Committee shall from time to time approve, which Option Agreement shall comply with and be subject to the following terms and conditions:

- (a) NUMBER OF SHARES. Each Option Agreement shall state the number of shares of Ordinary Shares to which the Option relates.
- (b) TYPE OF OPTION. Each Option Agreement shall specifically state that the Option constitutes an Incentive Stock Option or a Nonqualified Stock Option.
- (c) OPTION PRICE. Each Option Agreement shall state the Option Price, which shall not be less than one-hundred percent (100%) of the Fair Market Value of the shares of Ordinary Shares covered by the Option on the date of grant. The Option Price shall be subject to adjustment as provided in Section 10 hereof. The date on which the Committee adopts a resolution expressly granting an Option shall be considered the day on which such Option is granted.
- (d) MEDIUM AND TIME OF PAYMENT. The Option Price shall be paid in full, at the time of exercise and may be made in cash, by the delivery of shares of Ordinary Shares with a fair market value equal to the Option Price, provided that any such shares acquired by the Grantee pursuant to the exercise of an Incentive Stock Option shall have been held by the Grantee for a period of at least one year, or by a combination of cash and such shares that have been held by the Grantee for a period of at least one year whose fair market value together with such cash shall equal the Option Price. The Committee may also permit Grantees, either on a selective or aggregate basis, simultaneously to exercise Options and sell the shares of Ordinary Shares thereby acquired pursuant to a brokerage or a similar arrangement, approved in advance by the Committee, and use the proceeds from such sale as payment of the Purchase Price of such shares.
- (e) TERM AND EXERCISABILITY OF OPTIONS. Each Option Agreement shall be exercisable at such times and under such conditions as the Committee, in its discretion, shall determine; provided, however, such exercise period shall not exceed ten (10) years from the date of grant of such Option. The exercise period shall be subject to earlier termination as provided in Sections 6(f) and 6(g) hereof. An Option may be exercised, as to any or all full shares of Ordinary Shares as to which the Option has become exercisable, by giving written notice of such exercise to the Committee or its designated agent.

Options shall become exercisable in cumulative installments of 25% on the first, second, third and fourth anniversary of the date on which such Option is granted, or at such other times and in such other installments (which may be cumulative) as the Committee shall provide in the terms of the respective Option Agreements; provided, however, that the Committee, in its absolute discretion, may, on such terms and conditions as it may determine to be appropriate, accelerate the time at which such Option or any portion thereof may be exercised. The Option may contain performance goals and measurements, and the provisions with respect to any Option need not be the same as the provisions with respect to any other Option.

- (f) TERMINATION. Except as provided in this Section 6(f) and in Section 6(g) hereof, an Option may not be exercised unless the Grantee is then in the service or employ of the Company or a Parent or Subsidiary (or a company or a parent or subsidiary company of such company issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies), and unless the Grantee has remained continuously so employed or has continuously performed such services since the date of grant of the Option. In the event that the employment of a Grantee shall terminate or Grantee shall cease performance of services for the Company, a Parent or a Subsidiary thereof (in either event, other

than by reason of death or disability), all Options of such Grantee that are exercisable at the time of such termination or cessation may, unless earlier terminated in accordance with their terms, be exercised within ninety (90) days after the date of such termination or cessation; provided, however, that if the Company, Subsidiary, or Parent, as the case may be, shall terminate the Grantee's employment for cause (as determined by the Committee), all Options theretofore granted to such Grantee shall, to the extent not theretofore exercised, terminate on the date of such termination or cessation unless otherwise determined by the Committee. In the case of a Grantee whose principal employer is a Subsidiary, the Grantee's employment shall be deemed to be terminated for purposes of this Section 6(f) as of the date on which such principal employer ceases to be a Subsidiary.

- (g) **DEATH OR DISABILITY OF GRANTEE.** If a Grantee shall die while employed by, or performing services for, the Company or a Parent or subsidiary thereof, or within ninety (90) days after the date of cessation of such Grantee's employment or performance of services other than as a result of termination for cause (or within such longer period as the Committee may have provided pursuant to Section 6(e) hereof), or if the Grantee's employment shall terminate or performance of services shall cease by reason of Disability, all Options theretofore granted to such Grantee may, unless earlier terminated in accordance with their terms, be exercised by the Grantee or by the Grantee's estate or by a person who acquired the right to exercise such Options by bequest or inheritance or otherwise by reason of the death or Disability of the Grantee, at any time within twelve months after the date of death or Disability of the Grantee. In the event that an Option granted hereunder shall be exercised by the legal representatives of a deceased or former Grantee, written notice of such exercise shall be accompanied by a certified copy of letters testamentary or equivalent proof of the right of such legal representative to exercise such Option.
- (h) **LOANS.** Subject to any law, the Company may make loans to Grantees as the Committee, in its discretion, may determine in connection with the exercise of outstanding options granted under the Plan. Such loans shall (i) be evidenced by promissory notes entered into by the Grantees in favor of the Company, (ii) be subject to the terms and conditions set forth in this Section 6(h) and such other terms and conditions, not inconsistent with the Plan, as the Committee shall determine and (iii) bear interest, if any, at such rate as the Committee shall determine. In no event may the principal amount of any such loan exceed the exercise price less the par value of the shares of Ordinary Shares covered by the option, or portion thereof, exercised by the Grantee. The initial term of the loan, the schedule of payments of principal and interest under the loan, the extent to which the loan is to be with or without recourse against the Grantee with respect to principal and/or interest and the conditions upon which the loan will become payable in the event of the Grantee's termination of employment or ceasing to perform services shall be determined by the Committee; provided, however, that the term of the loan, including extensions, shall not exceed 10 years. Unless the Committee determines otherwise, when a loan shall have been made, shares of Ordinary Shares having a Fair Market Value at least equal to the principal amount of the loan shall be pledged by the Grantee to the Company as security for payment of the unpaid balance of the loan and such pledge shall be evidenced by a pledge agreement, the terms of which shall be determined by the Committee, in its discretion; provided, however, that each loan shall comply with all applicable laws, regulations and rules of the Board of Governors of the Federal Reserve System and any other governmental agency having jurisdiction.
- (i) **OTHER PROVISIONS.** The Option Agreements evidencing Options under the Plan shall contain such other terms and conditions, not inconsistent with the Plan, as the Committee may determine.
- (j) **EXERCISE OF OPTIONS.** A Grantee who decides to exercise an Option in whole or in part shall give notice to the Company or its designated agent of such exercise in writing on a form approved by the Committee. Such notice shall specify the manner in which the Grantee will make payment of the Option Price.

7. Nonqualified Stock Options

Options intended to constitute Nonqualified Stock Options shall be subject only to the general terms and conditions specified in Section 6 hereof.

7A. 102 Securities

Any 102 Securities which shall be granted to employees or consultants of the Company, any Subsidiary or Parent, or if required by law, shall be issued to a trustee nominated by the Board or the Committee (in accordance with the provisions of Section 102) (the "Trustee") and held for the benefit of the Grantee in accordance with any of the alternatives under Section 102 as shall be prescribed from time to time by the Committee. The Trustee may also hold in trust any shares issued upon exercise of such 102 Securities, pursuant to the provisions of Section 102.

8. Incentive Stock Options

Options intended to constitute Incentive Stock Options shall be subject to the following special terms and conditions, in addition to the general terms and conditions specified in Section 6 hereof.

- (a) **VALUE OF SHARES.** The aggregate Fair Market Value (determined as of the date the Incentive Stock Option is granted) of the shares of equity securities of the Company with respect to which Incentive Stock Options granted under this Plan and all other option plans of any Parent or Subsidiary become exercisable for the first time by each Grantee during any calendar year shall not exceed \$100,000. To the extent that the aggregate fair market value of shares with respect to which Incentive Stock Options are exercisable for the first time by any Grantee during any calendar year exceeds \$100,000, such Option shall be treated as a Non-Qualified Stock Option. The foregoing shall be applied by taking options into account in the order in which they were granted, with the fair market value of any share to be determined at the time of the grant of the Option. In the event the foregoing results in a portion of an Incentive Stock Option exceeding the \$100,000 limitation, only such excess shall be treated as a Non-Qualified Stock Option.
- (b) **TEN PERCENT STOCKHOLDER.** In the case of an Incentive Stock Option granted to a Ten Percent Stockholder, (i) the Option Price shall not be less than one hundred and ten percent (110%) of the Fair Market Value of the shares of Ordinary Shares on the date of grant of such Incentive Stock Option and (ii) the exercise period shall not exceed five (5) years from the date of grant of such Incentive Stock Option.

9. Restricted Stock

The Committee may award shares of Restricted Stock to any eligible individual. Each award of Restricted Stock under the Plan shall be evidenced by an instrument, in such form as the Committee shall from time to time approve (the "Restricted Stock Agreement"), and shall comply with the following terms and conditions (and with such other terms and conditions not inconsistent with the terms of this Plan as the Committee, in its discretion, shall establish including, without limitation, the requirement that a Grantee provide consideration for Restricted Stock upon the lapse of restrictions):

- (a) The Committee shall determine the number of shares of Ordinary Shares to be issued to the Grantee pursuant to the award.
- (b)(i) Shares of Restricted Stock may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, except by will or the laws of descent and distribution, for such period as the Committee shall determine from the date on which the award is granted (the "Restricted Period"). The Committee may also impose such other restrictions and conditions on the shares as it deems appropriate including the satisfaction of performance criteria. Certificates for shares of stock issued pursuant to Restricted Stock awards shall bear an appropriate legend referring to such restrictions, and any attempt to dispose of any such shares of stock in contravention of such restrictions shall be

null and void and without effect. During the Restricted Period, such certificates shall be held in escrow by an escrow agent appointed by the Committee. In determining the Restricted Period of an award, the Committee may provide that the foregoing restrictions shall lapse with respect to specified percentages of the awarded shares on successive anniversaries of the date of such award, provided that the restrictions with respect to no more than 25% of the awarded shares shall lapse prior to the first anniversary of the date of grant, no more than additional 25% shall lapse prior to the second anniversary of the date of grant, no more than additional 25% shall lapse prior to the third anniversary of the date of grant and no more than additional 25% shall lapse prior to the fourth anniversary of the date of grant; provided further, however, that the foregoing vesting schedule shall not apply to (A) Restricted Stock granted with restrictions related to satisfaction of performance criteria; or (B) extraordinary circumstances as shall be determined by the Committee which shall include, without limitation, death or disability, a merger, consolidation, sale, reorganization, recapitalization, or change in control of the Company; or any other nonrecurring significant event affecting the Company, a Participant or the Plan.

- (ii) The Committee may adjust the performance goals to take into account changes in law and accounting and tax rules and to make such adjustments as the Committee deems necessary or appropriate to reflect the inclusion or exclusion of the impact of extraordinary or unusual items, events or circumstances, provided that no adjustment shall be made which will result in an increase in the compensation of any Grantee whose compensation is subject to the limitation on deductibility under Section 162(m) of the Internal Revenue Code, as amended, or a successor provision, for the applicable year. The Committee also may adjust the performance goals by reducing the amount to be received by any Grantee pursuant to an award if and to the extent that the Committee deems it appropriate.
- (c) Subject to such exceptions as may be determined by the Committee, if the Grantee's continuous employment with, or performance of, service for, the Company or any Parent or Subsidiary shall cease for any reason prior to the expiration of the Restricted Period of an award, any shares remaining subject to restrictions (after taking into account the provisions of Subsection (e) of this Section 9) shall be repurchased by the Company or its Subsidiary at a price per share equal to the par value thereof.
- (d) During the Restricted Period the Grantee shall possess all incidents of ownership of such shares, subject to Subsection (b) of this Section 9, including the right to receive dividends with respect to such shares and to vote such shares.
- (e) The Committee shall have the authority (and the Restricted Stock Agreement may so provide) to cancel all or any portion of any outstanding restrictions prior to the expiration of the Restricted Period with respect to any or all of the shares of Restricted Stock awarded on such terms and conditions as the Committee shall deem appropriate.

9A. Stock Appreciation Rights

- (a) The Committee may also grant stock appreciation rights ("SARs") without the grant of an accompanying option, which rights shall permit the Grantees to receive, at the time of any exercise of such rights, cash equal to the amount by which the fair market value of all shares of Ordinary Shares in respect to which the right was granted exceeds the exercise price thereof.
- (b) The Committee shall establish the exercise price of each SAR and specify it in the applicable SAR agreement. The exercise price shall not be less than 100% of the Fair Market Value on the date the SAR is granted; provided that if the Committee approves the grant of an SAR effective as of a future date, the exercise price shall be not less than 100% of the Fair Market Value on such future date.
- (c) Each SAR shall be exercisable at such times and subject to such terms and conditions as the Committee may specify in the applicable SAR agreement; provided, however, that no SAR will be granted with a term in excess of 10 years.

9B. Other Stock-Based Awards

The Committee may grant other awards under the Plan pursuant to which shares of Ordinary Shares (which may, but need not, be shares of Restricted Stock pursuant to Section 9 hereof) are or may in the future be acquired, or awards denominated in stock units, including ones values using measures other than market value. Such other stock based awards may be granted alone, in addition to, or in tandem with any award of any typed granted under the plan and must be consistent with the purposes of the Plan. From and after November 30, 2011, the Committee may not award such stock-based awards, including but not limited to Shares of Restricted Stock or awards denominated in stock units (but excluding options and SARs), in an aggregate amount that exceeds 7,554,579 Ordinary Shares.

9C. Limitations and Conditions.

- (i) In the event that the Company makes an acquisition or is a party to a merger or consolidation and the Company assumes or substitutes for the options or other awards consistent with the purpose of this Plan of the Company acquired, merged or consolidated which are administered pursuant to this Plan, shares of Ordinary Shares subject to the assumed or substituted options or other awards shall not count as part of the total number of shares of Ordinary Shares that may be made subject to awards under this Plan or the limitation on other stock-based awards under Section 9B hereof, except as may be required by reason of Section 422 and related provisions of the Code. Any assumed or substituted awards to be administered under the Plan shall be on such terms as the Board deems appropriate in the circumstances, notwithstanding any limitations on the terms and conditions of awards contained in the Plan.
- (ii) Subject to section 5 above, any shares that have been made subject to an award that cease to be subject to the award (other than by reason of exercise or payment of the award to the extent it is settled in shares) shall again be available for award and shall not be considered as having been theretofore made subject to award. For the avoidance of doubt, any shares that have been made subject to an award made prior to November 30, 2011 and of the type described in the last sentence of Section 9B that cease to be subject to such award (other than by reason of exercise or payment of the award to the extent it is settled in shares) shall again be available for awards of the type described in the last sentence of Section 9B, without regard to the sublimit set forth in the last sentence of Section 9B, and shall not be considered as having been theretofore made subject to award.
- (iii) Nothing contained herein shall affect the right of the Company to terminate any Grantee's employment at any time or for any reason.

10. Effect of Certain Changes

- (a) If there is any change in the shares of Ordinary Shares through the declaration of stock dividends, recapitalization, stock splits, combinations or exchanges of such shares, or other similar transactions, which result in any increase or decrease in the number of issued Ordinary Shares effected without receipt of consideration (provided, however, that conversion of any convertible security of the Company shall not be deemed to have been effected without receipt of consideration), the number of shares of Ordinary Shares available for awards, the number of such shares covered by outstanding awards, and the price per share of Options shall be proportionately adjusted by the Committee to reflect such change in the issued shares of Ordinary Shares; provided, however, that any fractional shares resulting from such adjustment shall be eliminated.
- (b) In the event of the dissolution or liquidation of the Company or in the event of any corporate separation or division, including, but not limited to, split-up, split-off or spin-off or in the event of other similar transactions, the Committee may provide that:
 - (i) the Grantee of any award hereunder shall have the right to exercise an Option (at its then Option price) or to receive in respect of other types of awards the kind and amount of shares of stock and other securities, property, cash or any combination thereof receivable upon such dissolution, liquidation, or corporate separation or division by a Grantee of the number of shares of Ordinary

Shares subject to such award for which such award might have been exercised or realized immediately prior to such dissolution, liquidation, or corporate separation or division; or

- (ii) each award granted under the Plan shall terminate as of a date to be fixed by the Committee and that not less than thirty (30) days' written notice of the date so fixed shall be given to each Grantee, who shall have the right, during the period of thirty (30) days preceding such termination, to exercise or otherwise realize with respect to such awards all or any part of the shares of Ordinary Shares and other securities, property, cash or any combination thereof, covered thereby.

In the event of a proposed sale of all or substantially all of the assets of the Company or the merger of the Company with or into another corporation, the Committee may provide that any award then outstanding shall be assumed or an equivalent award shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless such successor corporation does not agree to assume the award or to substitute an equivalent award, in which case the Committee shall, in lieu of such assumption or substitution, provide for the realization of such outstanding awards in the manner set forth in subsections 10(b)(i) or 10(b)(ii) above.

- (c) In the event of a change in the Ordinary Shares of the Company as presently constituted that is limited to a change of all of its authorized shares of Ordinary Shares into the same number of shares with a different par value or without par value, the shares resulting from any such change shall be deemed to be the Ordinary Shares within the meaning of the Plan.
- (d) Except as herein before expressly provided in this Section 10, the Grantee of an award hereunder shall have no rights by reason of any subdivision or consolidation of shares of stock of any class or the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class or by reason of any dissolution, liquidation, merger, or consolidation or spin-off of assets or stock of another company; and any issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Ordinary Shares subject to an award. Except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of outstanding awards may not be amended to reduce the exercise price of outstanding Options or stock appreciation rights or cancel outstanding Options or stock appreciation rights in exchange for cash, other awards or Options or stock appreciation rights with an exercise price that is less than the exercise price of the original Options or stock appreciation rights without shareholder approval. The grant of an award pursuant to the Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structures or to merge or to consolidate or to dissolve, liquidate or sell, or transfer all or part of its business or assets or engage in any similar transactions.

11. [RESERVED]

12. Effective Date and Term of the Plan

Awards may be granted pursuant to the Plan from time to time by no later than January 17, 2016, but awards previously granted may extend beyond such date

13. Nontransferability of Awards

Awards granted under the Plan shall not be transferable otherwise than by will or by the laws of descent and distribution, other than pursuant to a valid qualified domestic relations order issued by a court pursuant to Section 414(p) of the Code, and awards may be exercised or otherwise realized, during the lifetime of the Grantee, only by the Grantee.

14. Approval of Shareholders

The Plan shall take effect upon its adoption by the Board but the Plan (and any grants of awards made prior to the shareholder approval mentioned herein) shall be subject to the approval of the holder(s) of a majority of the issued and outstanding shares of voting securities of the Company entitled to vote, which approval must occur within twelve months of the date the Plan is adopted by the Board.

15. Agreement by Grantee Regarding Withholding Taxes

If the Committee shall so require, as a condition of exercise of an Option or other realization of an award, each Grantee shall agree that no later than the date of exercise or other realization of an award granted hereunder, the Grantee will pay to the Company or make arrangements satisfactory to the Committee regarding payment of any federal, state or local taxes of any kind required by law to be withheld upon the exercise of an Option or other realization of an award. Alternatively, the Committee may provide that a Grantee may elect, to the extent permitted or required by law, to have the Company deduct federal, state and local taxes of any kind required by law to be withheld upon the exercise of an Option or realization of any award from any payment of any kind due to the Grantee.

16. Amendment and Termination of the Plan

The Board at any time and from time to time may suspend, terminate, modify or amend the Plan; provided, however, that any amendment that would increase the aggregate number of Ordinary Shares as to which awards may be granted under the Plan or materially increase the benefits accruing to Grantees under the Plan or change the class of employees eligible for participation in the Plan or reduce the basis upon which the minimum Option Price is determined or extend the period within which awards under the Plan may be granted or provide for an Option that is exercisable more than 10 years after the date it is granted shall be subject to the approval of the holders of a majority of the Ordinary Shares issued and outstanding, except that any such increase or modification that may result from adjustments authorized by Section 10 hereof shall not require such approval. Except as provided in Section 10 hereof, no suspension, termination, modification or amendment of the Plan may adversely affect any award previously granted, unless the written consent of the Grantee is obtained. In addition, unless such action is approved by the Company's shareholders: (1) no outstanding Option or SAR granted under the Plan may be amended to provide an exercise price per share that is lower than the then-current exercise price per share of such outstanding Option or SAR (other than adjustments pursuant to Section 10) and (2) the Board may not cancel any outstanding Option or SAR (whether or not granted under the Plan) and grant in substitution therefore new awards under the Plan covering the same or a different number of shares of Ordinary Shares and having an exercise price per share lower than the then-current exercise price per share of the cancelled Option or SAR. No Option or SAR granted under the Plan shall contain any provision entitling the Grantee to the automatic grant of additional Options or SARs in connection with any exercise of the original Option or SAR.

17. Rights as a Shareholder

Except as provided in Section 9(d) hereof, a Grantee or a transferee of an award shall have no rights as a shareholder with respect to any shares covered by the award until the date of the issuance of a stock certificate to him or her for such shares. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distribution of other rights for which the record date is prior to the date such stock certificate is issued, except as provided in Section 10 hereof.

18. No Rights to Employment

Nothing in the Plan or in any award granted or Agreement entered into pursuant hereto shall confer upon any Grantee the right to continue in the employ of the Company or any subsidiary or to be entitled to any remuneration or benefits not set forth in the Plan or such Agreement or to interfere with or limit in any way the right of the Company or any such subsidiary to terminate such Grantee's employment or services. Awards granted under the Plan shall not be affected by any change in duties or position of a Grantee as long as such Grantee continues in the employ of the Company or any subsidiary.

19. Beneficiary

A Grantee may file with the Committee a written designation of a beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Grantee, the executor or administrator of the Grantee's estate shall be deemed to be the Grantee's beneficiary.

20. Governing Law

The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of New York.
